General Meeting on 2nd Thursday of the month at the Jaguar/Land Rover dealership in Colorado Springs

See the web site for leadership and event information at jagclub.org

October Presidents letter by Steve Kennedy

Summer is over for the most part. We had a bit of rain right after the Conclave. Did you ever notice that right around Conclave time every year we get a minor storm of some kind? One year we even had snow the day after the Conclave. This year we had 40 Jaguars on the field. There were a few non-club Jaguars on the field and quite a few club cars.

Roxanne from the new Jaguar-Land Rover dealership brought one of their new cars. Everyone had a great time visiting with her. Hopefully we will see her at other events as well.

Photos are elsewhere in the newsletter but the Grand Opening for the Flatirons Jaguar Land Rover Dealership was well attended by club members and many others. There were well over a hundred people in attendance. Their showroom is wonderful and the service area is spectacular to say the least. With tiled floors and all new equipment, I'm sure they will turn out quality work. I would like to encourage everyone to support this new dealership.

The International Jaguar Festival, "IJF", will start on Wednesday, October 31st with a tour of the Peterson Museum in LA. Thursday is the JCNA slalom at the Solvang Airport. Thursday evening is the Welcome Reception. Friday is the concours on the Greens at the Santa Barbara Hilton. Saturday is the Monte Carlo Rally and Sunday is the Farewell Brunch at the Hilton Beachfront. The deadline for registration is October 13th. You can go to jcna.com and follow the links to register.

The Christmas Party will be here before we know it. It will be at the Eagle Bend Golf Club, where it was last year. Deanie is working on prices. Brent has said MoDaZZ will provide the entertainment, thanks Brent.

Harry Figley will provide the program for October. If you have something you think will be of interest, or have been on a recent trip and have photos you think will be of interest, please let either Gordon or Steve know.

Stevinson's New Location

Stevinson Imports has moved to their new temporary location on Littleton Blvd, just east of Broadway. It's only about 2 blocks from their old location. They will be here until their new building is built in Golden and that will be around 2 years away.

Report of the July 4th Evergreen Music Festival by Gordon Kenney

The July 4th "Music in Evergreen" festival had more than a dozen English cars on the grass during the day long event.

The Jaguars shown were a XK Convertible, a right-hand drive Mk 2 saloon, a XJS coupe and the XJ8 VDP saloon of Don Leach.

Photos and story line provided by Don Leach

Report of the Aug. 8th Scottish Highlands Festival by Gordon Kenney

In years past the annual Scottish Highland games were held in Highland Ranch. It was usual for 8 to 10 Jaguars from our club to join with other British car owners and parade all 40 to 50 cars into the field for one of the best "English" events of the year.

This year it was moved to "Citizens Park" in Edgewater and Alan Magnuson coordinated the event. He had come to a Piccolos meeting to promote it.

Display space was limited and there were only about 2 dozen English cars shown.

A short video showing all the cars can be seen at https://youtu.be/OHE5Dq_IJzU.

The show was a success and we can look forward to it next year and get some of "our" Jaguars in the show.

These photos show the 1954 XK 120 DHC of Jim and Cindy Hegg and the Mk 2 3.8 L Saloon of

Then the event was moved to Aspen but was poorly attended by our members.

Karl Johnson; the other Jaguar on display was a white XJ Saloon with the license place "JOROYSE".

Janet Guthrie video available

Earlier this summer Bob Grossman took his XK 140 to the Aspen race track where it was used in the filming of a 20 minute special report about Janet Guthrie. She often raced a similar Jaguar on that track during her long racing career. The report was shown on the NASCAR TV channel but is available as a U-Tube at https://outnumber/MgSBIM6q_ql (ask Bob about details)

Report of Vail Classic, Sept 6-8, by Mike Ramirez

Deb and I have attended this car show for the past four years, and have thoroughly enjoyed this event.

This show benefited the Vail Veterans Project and Senior Eagle Life.

Although, we have only attended the activities on Saturday and Sunday, the event begins on Thursday with a meet and greet activity on Thursday, and a Mountain Tour on Friday. Saturday, approximately 200 cars were staged at the Vail Jet Center, along with airplanes, aircraft and motor cycles for the Wheels and Wings Festival. The day included a spectacular air show and an auto auction. Jaguar was the highlighted automobile this year.

In the past, there has been a great turnout of Jags. Unfortunately, this year there were only seven cats. We were fortunate to place first in our class.

The event concluded on Sunday with the staging of 75 or so automobiles in Vail Village. A beautiful venue to end the weekend.

Evening Presentation - Mark Kintgen British Isles soccer trip.

Mark is big fan of professional soccer and an even bigger fan of the British team from the city of Leeds. He traveled to the United Kingdom this spring to catch some of the games and enjoy the sites.

Mark's presentation included several photos and narrative of many of the sights in and around Leeds. While he was there, he also watched a lot of the British Touring Cars series and shared photos of the variety of race cars involved. An interesting note of the trip was from his stay in the town of Morley, which was the site for the manufacture of firearms for both the Union and Confederate sides of the American Civil War. Many of Mark's photos showed the contrast between modern technology and classic architecture that one sees in England. Thank you, Mark for sharing your experiences.

The evening was concluded with birthday cake and the club raffle. Deb R won ½ the Raffle pot. Other winners included; Marty C, Betsy B, Gordon K, Brent M, Mark K, Mike R, and Roger N

The meeting was adjourned at 8:09pm

Report of the British Car Conclave of Sept 16th by Steve Kennedy

This year's Conclave was spectacular in both the attendance and the weather. There were 40 Jaguars on display and around 400 British cars and bikes on the field.

Dwight, Frank O, Ray H, Kenzie Valery and Kerry Kirby, and Deanie did registration from 7 to 9:30.

We got to meet some new club members and see some old club friends. Dennis Devore just got a 2010 XK that he is having lots of fun with. Maybe now he will come on the Spring Drive. Jonathan and Sarah brought their new XKR. Rick Beverley and his family were there with his F-Type and F-Pace.

The Hagerty Insurance team was also there. I heard a great story about Hagerty and the recent hurricane. One of their clients several states inland contacted them and said he had an empty warehouse that could hold around 300 cars. They contacted a number of their other clients in the path of the hurricane and they offered to move their cars to this location via the big car transports. Their way of thinking was they would rather have the expense of moving the cars to safety rather than have the catastrophic loss for all of them.

Lots of club members brought lots of good food to go with the sandwich.

New Flatirons Jaguar Dealership by Steve Kennedy

The new Jaguar Land Rover Flatirons Dealership held its Grand Opening in September. They had a great turnout including a number of RMJC members. We were able to display half a dozen of our Jaguars in their wonderful new service area. The service area not only has tiled walls, but a tiled floor as well.

Ed Dobbs, the Center Manager, showed everyone the brand new I-Pace, the electrified Jaguar. It's a fabulous Jaguar for sure.

We have already talked with them about possibly holding a concours

Looking forward to building a good relationship with them and encourage everyone to go visit their new facility.

Collector Car Council of Colorado "CCCC" Meeting

Minutes of Meeting, 5 September 2018

Air & Ground Show, Rocky Mountain Metro Airport (August 4th):
 We sincerely appreciate the help provided by volunteers from many clubs. Dick Thompson reviewed our involvement with the airport show that drew about 17,000 spectators.

RMMA management was very pleased with the air shows, the response from the public and with our assistance. CCCC organized the car show and swap meet, in addition to providing car parking lot management. The financial summary was disappointing but not unexpected for a first time event. Parking was planned for 10 lots but law enforcement sent many visitors to an outlying free lot in anticipation of traffic backups. This seriously reduced income we expected from parking management. The swap meet was unable to contact potential vendors as early as might be hoped.

We have learned from this experience and can make changes to improve future results. RMMA does not anticipate having an air show in 2019, holding these events instead every two years. Nevertheless, they would welcome CCCC holding a car show and swap meet in 2019 and this can provide continuity for our events.

Report of the "Bids for Kids" of Sept. 22nd by Steve Kennedy

The 2018 Bid for the Kids Fund Raiser was another great event. It was held at the Vehicle Vault in Parker, a great setting that everyone enjoyed.

We had 18 club members supporting the event. Quite a few club members bid and won live auction items like a trip to the Napa Valley, a trip to NY to see Carol King's play and also an African Safari. Brent even gave two rides in his airplane.

RMJC members really stepped up this year. Because of the club donation and all the private donations, RMJC was a Gold Sponsor.

There was also a ride in a 565 hp McClarin. Deanie did not bid on it because it is only 15 hp more than her F-Type and if she couldn't drive it, then what's the point!

A big thanks to Brent for being on the committee and representing us all year.

A lot of funds were raised for Children's Hospital Sports Program and the Ridgeway Academy and more club members should think of attending next year.
