## Presidents Comments by Steve Kennedy

Thanks to everyone who attended the summer party at Roxborough Park. The Lanes and Redrapps did a great job of putting everything together and thanks to everyone who brought food as well.

The RMJC Concours at the Broomfield Commons Park was a great success thanks to everyone who attended and thanks to Kenzie, Valerie and Kerry Kirby for hosting the Awards Dinner.

Hope everyone will be able to participate in our upcoming August and September events, some of which are detailed below but look at all of the upcoming events descriptions starting on page 4 of this newsletter.

The CCCC Air and Car show will be August 4th at the Rocky Mtn. Airport in Broomfield. They need help with parking and ticketing. If you would like to help or even just show your car, contact Steve right away, [skennedy@ecentral.com](mailto:skennedy@ecentral.com).

August 11th, Saturday, will be the Jaguar Club of New Mexico's concours in Santa Fe. Jaguars will be entering the Santa Fe Plaza between 7 am and 9 am. VERY IMPORTANT, all Jaguars must leave the plaza at noon. They have another event scheduled for that afternoon.

You can make reservations at the Santa Fe Hilton, 100 Sandoval St, Santa Fe, NM 87501,

(505) 988-2811 and ask for the Jaguar Club of New Mexico group discount, code JAG. It would be great if we can have a good representation at their event.

And don't forget the Slalom on Sunday, August 19th. It will be at Front Range Airport in Watkins. We/Deanie, needs 25 drivers to sign up for the Slalom, \$35 per driver.

September 15-16 is the Ride-the-Rockies and Conclave, which are always fun days.

The Bid for the Kids that Brent helps host is September 22nd at the Vehicle Vault in Parker. It is \$95 per person or \$680 per table of 8, making it \$85 per person. It would be great if we could fill up a table or two. Please let Deanie know at [dkennedy@ecentral.com](mailto:dkennedy@ecentral.com), 303-489-3944 if you would like to attend so she can coordinate everything with Brent. Deanie will order the tables if we get enough people to respond by August 19th so we will have time to get the tables reserved.

Wow, the summer just got here and it will be gone fast.

As is evident in these two photos the "Summer Party" was a very pleasant event for all those who attended..... editor

**Clock Photos:** Clocks for \$25 from your photos in Portrait format, long ways top to bottom. [skennedy@ecentral.cmo](mailto:skennedy@ecentral.cmo)

## August 5<sup>th</sup> “Drive for the Kids” at Highplains Raceway - a Challenge from Bob Grossman

I believe this charity is a good one and one that is consistent with the image of Jaguar and the amateur racing community i.e. Rocky Mountain Vintage Racing. I would suggest RMJC members make an effort to raise a \$1000 contribution to the RAKC through Frank's Alberts entry. The benefits to RMJC include support of a worthy charity and increased exposure to like minded specialty auto enthusiasts which may have a positive effect on our membership numbers. To that commitment I would lead off by cleaning up the Mk2 race car (it holds a bona fide RMVR racing log book dating back to 1985) and take it to the race track on the 4th and 5th of August race weekend and kick off the contributions with a \$100 check to the Morgan Adams Foundation.

High Plains Raceway is located about 60 miles east of Denver. Go East on I-70 and exit at Byers onto highway 36 and continue for 17 miles to the raceway. Go through the entrance gate, sign the waiver required and find a place to park (usually available at both the west side and north side of the pit area).. It's a great opportunity to walk through the pits, see the cars and talk to the drivers and pit crews. Full food service and good bathroom facilities are located in the pit area.

Paid rides in race are available during lunch hour; there will be volunteers and the Hagerty girls will be there to help you make a donation and arrange a ride. Time on the track is limited so check the ride program early.

There will be racing all day both Saturday and Sunday so stay as long as you want and enjoy the event. Shade is limited so folding chairs and sunshade may be welcome. Frank Albert is an integral part of this event so contact him for more details. [frankalbert@att.net](mailto:frankalbert@att.net).

Bob Grossman is making this a major event and has challenged the club to raise at least \$1000 from club members. He started the fund with a \$100 donation and several others have joined. Contact the event through their web page or send a check to Deanie Kennedy, club treasurer.

Note from the event Chairman: Kirk Peterson

We are once again excited about the prospect of making a significant impact on the Morgan Adams Foundation (MAF), a great organization dedicated to pediatric cancer research. Over the past seven years we've raised almost \$850,000 for MAF. With everyone's help, we can dramatically add to this total to continue supporting pediatric cancer research studies. (Kirk Peterson is the Event Chair. Feel free to contact him with questions:) [kirk@petersonfs.com](mailto:kirk@petersonfs.com)

# August 19<sup>th</sup> the RMJC Slalom at Front Range Airport

## Bob Grossman, Slalommaster

This is an event for all ages 17 and up, If you are not familiar with this type of driving event, it is simply a low speed closed course driving challenge in which the driver competes against the clock as a solo car on the course. The object is to complete the three laps as quickly as possible without losing your way, going off course, losing control of your Jaguar, hitting cones or making contact with cones in the “stop box”.

Each contestant gets five runs and the best (lowest) time being the ‘official’ time. It is most satisfying to see how your times improve (or not) with each successive run. Each Jaguar competes in its own class. Non Jaguar models are welcome and compete in the X class against all comers in that class. Mandatory things for all to have is a current driver’s license (we check), current insurance, a JCNA membership (if you aren’t a member, we sell a one day event membership) and a suitable helmet. We have a ‘loaner’ helmets if you don’t own one. Helmets must be DOT approved.

We usually do this event as a “cooperative lunch” with the club providing the sandwich and everyone bringing a dish to share.

Emphasis is placed on having a safe and fun time. The events are safe for the drivers and the cars as the course is tight and moderately complicated so speeds are low and collisions with cones will not (in most cases) cause any damage to your vehicle. Make plans to participate in any car you bring; cost about \$35; check on club website for sign-up details. Slalommaster Bob Grossman can answer all questions (303-278-2068 or e-mail him at [mightyroar6@gmail.com](mailto:mightyroar6@gmail.com))

## Report of Concours of June 30<sup>th</sup> by Steve Kennedy

### 2018 Broomfield Commons Concours

First I want to thank Kenzie, Valery and Kerry Kirby for hosting the concours and I want to thank Craig Miles, Jeff Schroder, and Jean and Frank Oakley for supporting the event, and the Kirby's for taking care of everything with the park.

It was a great day, a little cloudy and a bit cool, but that beats the 100+ temps of a few days before. We had 26 Jaguars on the field and 45 people in attendance.

Bill Beeson was cleaning the dash on his XK8 and he had his car keys on the dash. He accidently hit them with the rag and they went down the defroster vent. He looked, everyone else looked, and they could not be seen inside the vent. Bill was working on a way to go home and get his backup set of keys when he noticed something along side of the console, Great! There they were. The keys had fallen on the side of the console and not in the defroster vent.

Steve got a call from Dave Dougan who was not at the concours but was having trouble with his XJS. The AC and a few other things were not working and Dave had no idea where the fuse block was. It just so happened that Ray Horrall's XJS was the same year, 1996. Steve got Ray to look at his car and tell Dave which fuses he needed and where they were. There are actually two fuse panels on that year XJS, one behind the panel just above the passenger's knees and one above the driver's knees. The panels look like they are very secure but are actually just held in place by a couple of pressure snaps and come right off.

Judges: Thanks to Chief Judge Gary George, Rory Andrkowski, Bill Beeson, Ray Horrall, Craig Miles, Dwight Eisnach, Jack Humphrey, Frank Oakley, Chris Barrington, Tom Koehan, Jon Strader, Frank Sullivan, and Jon Strader. And thanks to the Scoring Committee Jean Oakley, Judy George and Deanie Kennedy.

## Concours Report - page 3, (continued on pages 21 & 22)

After the Broomfield Commons Not So Common Concours, a great name which Valery Kirby thought of, most everyone adjourned to the Kirby's for the Awards Dinner. They have a beautiful new home that is only about 5 minutes from the concours location. They even let anyone who wanted to park in their huge back yard.

This was the first show Steve Kreisman brought his beautiful 1956 XK 140 OTS too. It had just come out of restoration and was really a great looking car. There were a few concours details Steve needs to learn but he is getting the hang of it. Next year this car should look even better. Paul and Liz Schmidt dropped by in their red E for a little while Pete and Sue Day brought their Series 3 E and just had it in Display. That car really belongs in Champion Division.

Best of Show went to Rick DeWilde for his 2007 S-Type with 99.96. Farthest Driven went to Rosemary and Bill Denton and Farthest Trailered went to Craig Miles. A new award this year, The Lone Ranger Award, goes to Craig Miles because he always comes to the concours then disappears when it is time for the awards. Paul and Liz Schmidt dropped by in their red E for a little while.

As usual there was some competition for the Crappy Cat Award. In contention was Bill Beeson with losing his keys, but everyone agreed that it should go to Bob Grossman. He did not make the concours for two reasons, first, he scraped the side of his XKR while backing it out of the garage, but second, after returning from his trip to Ireland where he made it a goal to have a pint in every pub, he got sick when he got home by eating something in the frig that was there before he left for two weeks in Ireland. Needless to say "Crappy Cat" was very appropriate.

A big thanks to everyone who participated. This event would not be as good as it was if not for you.

# The July 14<sup>th</sup> Summer Party at Roxborough

By Bill Beeson

Once again the Redrupp's and the Lane's have hosted an excellent Summer Party for those club members attending. The food was excellent. The meats were seasoned and cooked to perfection and the side dishes and desserts provided by other talented cooks in our club were delicious. I certainly ate too much as I am sure did others.

Due to the high heat of the day many of us chose to drive contemporary air conditioned cars and spend most of the time indoors conversing with our Jaguar friends. This meant that the number of Jaguars present was lower than usual for the Summer Party. However, the range of Jaguar cars on hand varied from the curvy lines of the XK140 to the edgy modern looks of the F-type, with many of the decades in between represented. The SUV arm of Jaguar, a somewhat foreign concept to some, was represented by an F-Pace.

The result as always was a parking lot filled with gorgeous Jaguars that attracted several passersbys to stop and admire.

*continued, The RMJC 2018 July 14<sup>th</sup> Summer Party at Roxborough*

The site, which located between the Roxborough State Park and Arrowhead Golf Club in the beautiful red sandstone outcroppings of the foothills, was familiar to those of us that were here for RMJC's 2017 Concours d'Elegance.

President Steve conducted a brief General Meeting after dinner to remind us of the many upcoming events and activities to be enjoyed before winter returns.

Frank Albert presented an invitation to all to participate in the Morgan Adams Race for the Kids to benefit childhood cancer research that takes place the 4&5th of August at High Plains Raceway. Come out and enjoy the racing and help kids with cancer. More information on this event and others are in the Events Section.

The Center sits on about 2 to 3 acres of groomed park land with views of the vast prairie to the east and the green foothills to the west. Similar to last year's Summer Party local buck deer showing up on the front porch, we were visited by a Roxborough doe grazing on the lawn. She added a lovely touch of nature to the event and once again proved the abundant natural beauty of Colorado.

Many thanks to everyone who attended and special thanks to Vince and Barb Lane, Brian and Jackie Redrupp, and Steve and Deanie Kennedy for all of your hard work crafting and executing another great Summer Party.

It is always enjoyable to gather together with our RMJC friends.

# Collector Car Council of Colorado "CCCC" Meeting

## Selected from the Minutes of Meeting, 5 July 2018

**Legislative:** Leo Boyle noted that in this period between the primaries and the general election there is a lot of speculation about the makeup of the 2019 Colorado Legislature. Leo will be meeting with newly elected legislators and discussing issues of concern to us.

**"Fictitious License Plate" Issue.** The citation issued to a CCCC-club member for driving with Year-of-Manufacture plates was dropped on a technicality but the concern about use of these plates remains. Among the restrictions listed in the Colorado Statutes is a vague statement that they can be used "On occasions when the operation on the streets and highways will not constitute a traffic hazard" and this may need to be clarified in future legislation.

**For Sale: 1970 Series II E Type Roadster**

**Details:** I have owned it for over 30 years and it is time to pass it on to someone else who will appreciate it and preserve it. While I haven't been an active member of the RMJC, I have been a long time member and it is important to me to give the first look to RMJC Members before I list the car to a wider audience. Willow green exterior with black interior and tan canvass top. Runs great, 74K miles, is mostly **original** and in good shape, but has picked up a few dings and chips in the paint over the years. Matching numbers and includes the original factory hard top. I have owned it for 31 years, but time to pass it on to someone else who will appreciate it. First shot to RMJC members before I put it on eBay. **Price: \$55,000 obo, Contact: Eric Wittenberg [ericwittenberg1313@gmail.com](mailto:ericwittenberg1313@gmail.com) (720) 469-6972**

**FOR SALE: 1985 Series III XJ6 Sedan PARTS CAR**

From a distance this car looks great, but it has lots of rust, much more than it is worth for restoring so it is being sold as a Parts Car with LOTS of NEW parts including high efficiency radiator, starter, injectors, fuel pump, power steering rack, pump and hoses, high output ac compressor, blower motors (2), heater core, ac condenser, ac evaporator and rebuilt transmission. A new interior including leather, carpets and headliner was also installed. There is rust on rocker panels and adjacent panels around wheel wells, and around windshield. Mileage is about 270,000. Asking \$1500, Bruce Healy, [hlucullus@earthlink.net](mailto:hlucullus@earthlink.net) or 303-494-9222.
