Jaguar Club Southern Colorado - JCSC

Don Yowell, Acting President 719-594-0066

General Meeting on 3rd Tuesday of the month at the Jaguar/Land Rover dealership in Colorado Springs. JCSC events are included in the RMJC event schedule.

Presidents Page *by Howard Mumm*

June was a busy month. We had two Concours; the Ability Connection Colorado show at the ACC site on Sunday June 8, and the RMJC Concours at the Cussler Museum on Sunday June 21. The major difference between these two events was the weather. The ACC Concours was turned into a mad dash for the exits when a nasty storm visited from the northwest about 1:00 o'clock. At one time it seemed as if half the remaining visitors to the show were huddled under the RMJC tents. Taking tents down and packing up in the middle of a driving rainstorm took teamwork and a lot of help. Thanks to all who showed up for the event, given the dire weather forecasts, and thanks to all who helped set up and take down the RMJC corral. Special thanks to Frank Oakley, Bill Beeson, Dwight Eisnach, and Don Leach for their help staking out the club corrals, and setting up the Club signs on Saturday. RMJC did about 60% of the work laying out the Club positions for the show. Terri Armstrong of ACC was very happy we pitched in to get that work done. Also, thanks to the Kennedy's, the Orr's and again Don Leach for showing up at "0-Dark Thirty" to help position cars and set up tents on Sunday morning. Even though we had some rain, and didn't get the type of day we hoped for, RMJC and its members made the day memorable, and an ACC (CP) show we won't soon forget.

RMJC's Cats at the Cussler Concours wasn't without its own weather drama, as we all held our collective breath as a storm slid around to the north. Besides that, the day offered a laid back enjoyable car show atmosphere.

We did have some incredibly close scores, however, that generated good car show drama. In C16, the XK8 class, the difference between 1st and 3rd Place in the Championship division was 3/100 of a point. Hats off and many thanks to Gary and Judy George, and Steve and Deanie Kennedy for volunteering and executing the Concours Chair duties, and putting on a great 2014 Concours. Thanks to all who helped put up tents, set up breakfast and lunch,

and the general toting and lifting required by an event this size. The Cussler Museum was a superb venue for the Concours. There was definitely a striking contrast between the old cars inside the museum and the newer Jags outside the museum.

In July we have two fun events coming up. The Summer Party and the RMJC Sanctioned Slalom. We will hold the Annual Summer Party on Saturday, July 12 at the Redrupp's. No tents to put up, and if it rains, we can go inside their lovely home. This is always a fun event, with good participation by Club members. Don't forget to RSVP and plan to bring a delicious dish to compliment the great menu they have planned.

The RMJC Sanctioned Slalom will be July 20th at Front Range Airport. Get in the practice laps you will need to succeed in the Western States Slalom in September. Remember, if you are volunteering for the Slalom at Western States, it is important that you attend this slalom and the short training we will be offering during the event. We will need several teams to do Technical Inspection, spotting, flagging, etc, so all of those positions will be covered at the July Slalom. Also, if you do well at our Slalom, and do well at the Western States Slalom, you will compete for Regional Slalom points.

Everyone needs to be checking out the Western States Schedules, to make plans when you are going to come down to Colorado Springs to volunteer and participate in the events. This event is a National JCNA event, and we want to have lots of volunteers and lots of participation from our club. See the documents in this Cat Tales for more information.

Two great Concours are in the history book and many more great activities coming up! We need your registrations for Western States so be sure and get out there and... Take the leap

*July 12th, Saturday, Summer Party at the Redrupp's

August 5th, Board Meeting at the Hummel's

***Slalom # 1, Sunday, July 20, 2014 at Front Range Airport
Arrive no later than 8:30am
Invite Family and Friends for a Day of Fun Driving***

(Slalom #2 will be at Western States in Cheyenne Mountain State Park on Thursday, September 4. If you plan to attend or volunteer for Western States, plan to attend Slalom #1!!)

Best to be there at 7:30am if you plan to help with the Slalom set up for the day! It helps to have extra hands setting up tents and the course. If not coming early, be there at 8:00-8:30 am to get your car emptied, technical inspection completed and registration paperwork filled out BEFORE the Drivers meeting at 9:30-10am. Driver's meeting will be conducted by the Slalom Master, Bob Grossman and includes a walk of the course and rules of the drive and questions answered. Please RSVP to the Event Coordinator, Cyndi Mumm, cyndi.mumm@comcast.net or 303-805-1644.

Cost is \$35 for RMJC members and \$40 for non-members. Any car can be entered; roll bars not required and loaner helmets will be available. Pump up your tires an extra 5 pounds of pressure for best handling of car on the course.

The club will provide a main course for the group as long as we have enough folks sign up. We ask you contribute to the Lunch by bringing side dishes, or desserts and drinks to share with the group.

Directions: DO NOT GO TO WATKINS FRONT RANGE AIRPORT EXIT (go past it)

Go 10 miles east of the E-470 and I-70 intersection on I-70 and take **exit 299 (Manila Road)**. Go north about 1.2 miles on Manila Road, and turn right just after the RR tracks onto Middlebrook Road and then thru the gate with the RMJC Banner. Follow Middlebrook Road east 0.5 mile and then north about 2 miles. Turn left on unmarked access road to the parking apron where RMJC will be set up.

Registration and payment You can handle registration by accessing RMJC at www.rockymountainjaguareclub.org. Click on Events, then Slalom Events on the left. You will see ADD TO CART, or you can scroll down the page and download a form, print, fill out and mail to Cyndi Mumm. 1st Annual Colorado Concours Motoring Legends Forum Benefiting

Ability Connection Colorado Report

On the Friday before the Concours at ACC (formerly known as the CP Show) Bob & I attended the forum held at Audi Denver. The panel included Jim Strandberg (RMJC visited his shop High Mountain Classics in Berthoud a few years ago), Denise McCluggage, famous Porsche & Ferrari driver & journalist, and Dennis Little, car designer with GM for over 30yrs.

A few of the cars that will be at Sunday's Concours were on display, but the evening was all about the featured panelist. Much of the discussion was on the restoration costs & valuations seen in the collector car market. Since there was an unrestored "barn find" Maserati on display, the panelists opinion varied on the "preservation class" vs "restored class" best direction for this car. Much of this was due to the recent sale of an unrestored 1956 Mercedes Gullwing for \$1.8 million which exceeded the \$1.4 mil price of an almost identical Gullwing at the same sale.

Ms. McCluggage always is a delight to hear as she recounted her desire to "fulfill anyman's desire" by offering a co-drive at Sebring in 1961 in her Ferrari 250 GT SWB to Allan Eager a sax player from New York. They won their class. One had the impression that her life has been one of no adventure left untried. If you have a chance to see her at any event, do experience the opportunity to listen to her speak of her good friends, Phil Hill, Jimmy Clark, Fangio and von Trips. She was always stood out in her white racing helmet with red polka dots. Bob & I have one of her great photos of Jimmy Clark racing his Lotus in Mexico which she graciously signed. It is one of our treasures.Pat Grossman

Ability Connection Colorado Exotic Car Show at ACC – June 8th, 2014

We had 30 Jaguars in our corral to participate in the 31st Annual Exotic Car Show and Concours d' Elegance. There were also a few others being shown by Stevinson Imports; one of which was a stunning black F-Type Coupe. Jaguar Colorado Springs joined us with an XF AWD and an XF Convertible. We had some no shows due to the impending weather and they were missed. Dennis Orr headed up the judging teams and they got to work. It was a very cool day and while watching the skies we got lunch underway a little early. Good thing too! Just about the time we got everything put away, the rain started. Lucky for us, we had 3 tents to all huddle under; the rain lasted about 30 minutes and the venue cleared out by half very quickly. We made the best of it though, we always do; this club has a lot of trouper-ers!! By the time we finished getting the tents down and loaded up, there was a tornado siren going off and state patrol was telling us all to go inside Arapahoe Community College buildings! We all said nah and headed home. Check out the scores!!

2014 Concour Cats at the Cussler

by Steve Kennedy

There were 35 Jaguars on the field and 69 people in attendance. The morning started off a bit cloudy, which was fine as it made for a nice time. There was a bit of rain in the afternoon, but nothing bad. "Appraisals by George", donated a hard back Clive Cussler book to each entry in the Goodie Bag.

Sandy Dunlop, a long time member, came by. Many of the old time members enjoyed visiting with her.

We had a great breakfast and lunch under the club tents.

Judging ran from 10:30 to 1:30; here Gary K. and Kyle T. check an E-Type

From 1:30 to 5, people toured the museum followed by a catered BBQ dinner and the awards presentations. Gary Kerkow showed off the fabulous Michael Garman awards that will be used at the Western States event.

There were 18 championship cars, 10 driven cars, and 7 display Jaguars on the field. We had 6 Jaguars from JCSC and most of the rest of them were RMJC Jaguars. All the Jaguars that were judged could be in the running for North American JCNA awards if they attend both the Western States and JCSC concours in September.

Many thanks to Terry Cussler, Keith and their team for a wonderful event.

The blown Bentley was a favorite

The Cussler Museum is open on Mondays and Tuesdays; call 303-420-2795 for details.

Jaguar is embarking on its first ever recreation project and plans to build six brand-new Lightweight E-Types. The cars will fill in the missing six chassis numbers from 1963's originally planned 18 car run. They will make their debut later this summer but get in line early to get one! (Editor ...found this, but don't know if its true; might be a 100 point car!)

RMJC June 3rd Board Meeting

by Steve Kennedy

President Howard Mumm called the board meeting to order at 7:32.

The ACC (CP) show is this weekend; twenty-four Jaguars are signed up. There is no coffee truck so please bring your own as well as your side dish. We have room for 40 Jaguars on the field; please be on the field by 8 or so. We are doing our own judging as we usually do but will use their scoresheets.

Sill-TerHar is bringing an F-Type and it should be parked near the Jaguars. They hope to have 500 cars in attendance and this is to be a very elaborate show.

There are currently 25 Jaguars signed up for the Cats at the Cussler.

Lerinda Hershey of the Colorado Springs club, passed away Memorial Day morning. She was very involved in the Jaguar Club of Southern Colorado and very involved in Western States. The Western States event will be dedicated in part to her.

The Summer party will be at the Redrupps home on July 12th and that will be followed by the RMJC Slalom on July 20th at the Front Range Airport. It will be a good practice run for the Western States slalom. If you are thinking of volunteering to help at the Western States Slalom, you should attend the RMJC Slalom so you know what is going on.

Volunteers are needed for the Western States events, including the Rally, Slalom, and Concours. If you would like to help, please contact Cyndi, Deanie or Bob. There are several hotels near the Cheyenne Mountain Resort but we encourage everyone to stay at the Cheyenne Mtn. Resort because that is where all the fun will be.

The development of the new website is coming along and should be done soon. We have shared a lot of ideas with Natalie and provided her with lots of web site content. Please send material for the site to Gordon and he will get it into the site as appropriate.

September 20th is the Drive for the Kids. It will be a one day drive this year and will go through the Hywan Homestead. It costs \$125 one person or \$195 for two people-one car. There will be a 10 am brunch in Idaho springs followed by a casual drive to see the fall colors. The dinner with an open bar will be at the Hilton Garden Inn in the Tech Center. Last year \$26,000 was collected through this event.

The meeting was adjourned at 8:18;

Thank you Bob and Pat Grossman for hosting.

Larenda Hershey's Celebration of Life

Around 30 folks attended a Celebration of Life for Larenda on Monday, June 16th. Larenda's husband Dave's son Kevin and daughter-in-law Gayle were with him. Thom and Lisalynn Buckley, owners of Jaguar Colorado Springs, graciously hosted the celebration at the dealership with a BBQ and libations for all. As we all fawned over the beautiful new Jaguars, including two new F-Type Coupes, I could hear Larenda whispering, "When are you going to buy this one, it has your name written on it Cyndi," as she had said to me so many times before.

Thom Buckley, Howard Mumm, and Al Thaut reflected on her unwavering contributions to both JCSC and RMJC and how much she will be missed. Her sincere caring, calming demeanor, dry sense of humor, dedication to family and loving friendship to many will be remembered always. Larenda's spirit was felt by all.

The Race Against Kids Cancer

This RMVR annual event is again raising money for this great research effort working with the Morgan Adams Foundation to support pediatric cancer research.

On August 2nd & 3rd at the High Plains Raceway, during the lunch break at the RMVR, you can make a donation and get a track ride in a real race car - great fun! Or just make a tax-deductible donation any time.

Our club is funneling its contribution through club member **Frank Albert** who will be running his MGB-GT race car this year. Send him a check payable to "Morgan Adams Foundation" at PO Box 3282, Evergreen, CO 80437-3282 or go to the website at:

2014 June RMJC Meeting by Steve Kennedy

President Howard Mumm called the meeting at 7:30 pm; he introduced new members Bill Leuellian and Alan Seeling.

We had a special presentation by Doug McCarthy about the Winter Park Children's Hospital ski program. The fund raising event for this program will be Saturday, September 20th. Cyndi displayed a sculptures donated by Kathy Anderson, a local artist; raffle tickets are available. More details in the coming weeks.

The ACC (CP) show was held June 8th at Arapahoe Community College. Yes, it did rain but everyone still had a good time. There were around 500 cars of all kinds and we had 25 Jaguars on the field. There was a different style of judging available where you paid an additional \$25 fee to have your Jaguar judged by their paid team. We helped raise \$150,000 that Sunday.

Our RMJC Concours will be held June 21st, just 12 days away from the club meeting. The Summer Party will be at the Redrapps on July 12th which will replace the July Piccolo's meeting.

The RMJC Slalom will be July 20th at the Front Range airport. If you would like to help at the Western States slalom, please be sure to attend the RMJC slalom so you can learn what needs to go on during the event. Please contact Bob Grossman for more information and to sign-up.

2014 Western States will be September 2-6 and that will be here faster than you can believe. Registration forms are available and more information is on the website.

Laurenda Hershey from Colorado Springs who was a big supporter of both clubs, passed away from cancer on Memorial Day. Her memorial will be Monday, June 16th.

Gordon gave an update on the new RMJC web page development and then showed a 20 minute video of Jay Leno driving a 3 million dollar XK 120 in the Mille Miglia.

Prizes were raffled, birthday cake was distributed then the meeting was adjourned at 9:08pm.

Collector Car Council of Colorado, Minutes of Meeting, 4 June 2014

Horseless Carriage license plate, change in application procedure: County Clerks are no longer able to issue new HC plates due to the proliferation of specialty plates. An application has to be submitted, a temporary tag is issued, and the new plates are mailed by a contractor hired by the state.

Chrome Plating: Denver Bumper has closed and no longer is available for plating. The number of shops still doing plating is shrinking, and out of state businesses are among the few remaining.
