Presidents Page

by Howard Mumm

Cyndi and I enjoyed the Presidents dinner that was held at Cool River Restaurant on Saturday, March 15th. We welcomed about 40 RMJC members and guests to the dinner, with several past Presidents in attendance. Many British “Union Jacks” ties and scarves were on display again this year, and the wearing of the UK Flag seems to have become a tradition in itself. This year we recognized members with 5 to 10 years of service to the Club, and awarded a pin dated to their year of entry.

All members that were not present will receive their pins in the mail. Members were asked to describe how they became Jaguar owners and what moved them to join our Club. We had a great time listening to the stories; some were hilarious, some poignant, but all very interesting.

At the General Meeting on Tuesday, April 8th at Piccolo’s, we will have a presentation by Harry Fe-gley regarding “Jaguars at Auctions”. Sounds interesting and informative, and there is sure to be some great looking Cats on display. I would like to see the attendance at the General Meetings come back up to what it was in the latter part of 2013. We have a big agenda of events this year, including a Western States in September, and it always helps to have people in the meetings to hear about events and voice opinions. That day is also Cyndi’s birthday, so be sure to attend the meeting and share a piece of cake with the wife.

The first Judges School with our Chief Judge Gary George is coming up quickly on April 12 and is being hosted at Man Cave in Westminster. This year we have three Concours in Colorado. The first is RMJC’s at Cussler Museum, then Western States Concours, and JCSC’s at Western States, in which we will all participate. We will need many judges for these events. If you have ever wanted to learn to be a judge, or if you are a judge and need or want to sharpen your skill set, then you need to attend. It is also good for contestants to participate in these schools to learn the latest rules about what should be shiny, and what should not be polished.

The Ability Connection Colorado Concours, formerly CP show, is going to be a little different this year. There is no one featured Marque, but several important anniversaries to celebrate. This will be the 100th anniversary for Maserati, the 50th for Mustang, the 50th for McLaren and the 40th for Porsche Turbo. There will also be a focus on pre-WWII exotic cars. There will certainly be something of interest for everyone. The date is **Sunday June 8, 2014. Be sure and Save the Date,** and get your car ready to participate in the largest Exotic Car Show in the West. This is always a big event for RMJC as we take our place under the trees and enjoy our famous luncheon. We normally average around 40 Jags in our corral, but I would really like to see us edging up toward 50 cars. The CP show is always a good low key tune-up for those not experienced in Concours Judging. This is a very exciting, fun Sunday car event; great to bring kids and grandkids too.

In this newsletter you will find articles on all the upcoming events; the Spring Dust-Off, the RMJC Concours, and the Western States event in Colorado Springs. Make a plan to attend as many as possible, and get out there....and

Judges Schools: April 12nd and May 3rd by Gary George, Chief Judge

Wow, spring is almost sprung, the grass is risen and show season is almost upon us and it's time to think about the upcoming judges schools. We are going to have fun fun fun and daddy isn't going to take the Jaguar away. The best part about judging is that you can get a close up look at such wonderful cars, Jaguars all.

We are going to be meeting at a new place - the "Man Cave" of Mike Bergren. If you get there early you can have a really comfortable chair but otherwise it's a folding chair for you daddy.

We'll have pizza and I will supply beer; we will go over the rules both new and old. The location is **7535 W. 92nd ave, #800 in Westminster**. Come at 12 for lunch or at 1:00 pm for the school.

Calling all RMJC Members! We need VOLUNTEERS for Western States 2014!!

Believe it or not but it's coming up in 6 months!! Yes, not that far off.

RMJC & JCSC wish to put on a Western States that every attendee will love and remember!!

As you read this Western States 2014 announcement and put it on your calendar for this year, the Western States planning committee invites you to step forward and commit to being a volunteer for any, or all, of the events we will have. Opportunities include:

Sponsors: We need sponsors, sponsor donations and sponsor items. If you know of a potential sponsor and you need a sponsor package, let us know. Think about the businesses you deal with and ask them if they would be a \$100, \$250, \$500 or above sponsor. We need 100 of anything businesses will donate for goody bags. Start collecting!!

Registration: Folks will register from Tuesday through Saturday depending upon when they arrive. We will need 2 – 4 people per day to run the registration, meet and greet attendees, and answer their questions. Registration will be in a hospitality suite we set up for the week. There are many other items to handle such as stuffing goody bags, handling raffle prizes, and entertaining sponsors.

Tour & Rallye: We could use 2 people to help run the rallye to Cripple Creek. If not participating in the rallye, you will definitely wish to go on the tour through the mountains to Cripple Creek for fun, shopping, gambling if you desire, and a group dinner! We would like 1 or 2 volunteers to get folks headed out for the tour to Cripple Creek.

Slalom Day: We need 10 volunteers for setup, timing, scoring, help with lunch, corner judges, etc.

"WWII Returns" Theme Night Gala, Dinner, Music, Dance and Tour: We need 10 people to get cars parked, meet and greet, take pictures, show attendees where to go, decorations, and the list goes on.

Western States Concours & Pikes Peak Concours: Both Friday and Saturday Concours will need lots of volunteers getting participants where they need to be, registration, scoring runners, logistics, assistance with participants for car cleaning, **JUDGES** and trophy preparation for the Awards Dinners.

Contact your RMJC Western States Planning Committee members and let us know your interest!

Cats at the Cussler's Auto Museum,

RMJC June 21st Concours

The Cat's finally out of the Bag, the 2014 RMJC Concours will be held at Clive Cussler's auto museum June 21st, 14959 W 69th Ave, Arvada, CO 80007.

This will be a One-Day Concours starting at 8 am and running until 7 pm.

The cost per person is \$65 including an on-field continental breakfast, box lunch and BBQ dinner and museum tour. The price is all-inclusive and is the same whether you come for just the concours or the whole day.

Want to display your 1960's Jaguar in downtown Denver ?

This June, our company (a commercial office furniture dealer) will be hosting an industry trade event at our showroom in downtown Denver. We pick a theme to help generate some flavor and excitement to the marketing campaign, and this year, we have chosen, *Vintage 60's with the style and sophistication* of that era (recently popularized by the hit TV show *Mad Men*).

It is our hope that you may know of someone that has a Jaguar from the 60's that we may contact and see about showcasing as an iconic centerpiece for our event. We have over 500 attendees from the architecture and design community as well as commercial office brokers, general contractors and project managers attend this annual event. In the past we have had an Austin Martin, Ford Model T car, as well as a Stagecoach.

Our event is Thursday, June 19th. We prefer to place the car in the showroom the day before so that it is out of the way as we move furniture and set all other décor. Then it is removed the morning after the event. The owner is welcome and encouraged to attend our event. We provide food and drinks and have a nominal budget to hopefully make it worth his/her time to share this prized car with us. Thanks for your consideration and help. If you have any other questions, please let me know.

What's New at Jaguar ***by Sir Art Stricker***

In last months article I eluded to a new smaller Jaguar, RWD and AWD, with the new aluminum architecture and underbody, code-named X760, a compact sports sedan aimed squarely at Audi A4, BMW 3 Series, Cadillac ATS and Mercedes Benz C-Class. The cars fluid design is modeled after that of the XF and its beauty should be one of the cars main selling points.

Why all of this matters is the fact that Jaguar sold about 76,000 cars world wide in 2013, while BMW sold nearly 120,000 3 Series in the US alone.

Jaguars new A3 Series competitor is critical to establishing Jaguar as a contender in the premium economy car segment.

The new compact Jag will have an all new rear wheel drive platform that can be outfitted with 4 wheel drive. Jaguar will offer several engine types, the all new in-house turbo 4 cylinder and a supercharged V6 with 380 horsepower, Europe will most likely get a diesel version.

The brand can not afford to fail in this critical segment, but it could if Jaguar does not deliver in the estimated price range of \$40,000-

\$55,000. This new compact sedan should be out early in 2016.

Jaguar Auction Action by Bill Beeson

January was a busy month for collector car auctions. All of the major auction companies wanted to kick the year off early. In addition to the 2014 lead off Barrett Jackson Auction that was reported earlier, Gooding & Company and RM Auctions each conducted major auctions in the Scottsdale area around the same time. Both of these auctions provided excellent Jaguar examples that made for a great weekend for the Jaguars collectors. The two top sellers brought better than \$200,000 each.

In the number one selling spot for these auctions was a gorgeous Gooding & Company offered first model year 1963 Series 1 E Type Roadster that hammered sold at a stellar \$253,000.

Trimmed out in Opalescent Silver with Tan this beautifully preserved original speaks for itself. The first owner lovingly maintained this car for 32 of its 51 years. Showing only 15,000 miles on the odometer, this E Type is a magnificent survivor.

Gooding & Company continued above the \$200,000 level with the sale of a very rare XJ220. When Jaguar decided to enter the Super Car arena in the late 1980's they created a sumptuous exotic with a turbocharged 3.5 Litre V6 pumping out 542 BHP. It was a world beater, and at the time, it was the world's fastest production car. This particular 1994 XJ220, finished in Dark Metallic Blue, is one of less than 300 that were ever produced and was acquired by the new owner for only \$220,000.

RM Auction was not far behind Gooding & Co. with their top selling Jaguar fetching \$187,000. This one of a kind 1968 E Type Roadster in its original rare Golden Sand paint is reported to be the only E Type to ever be fitted with a Biscuit soft top from the factory. Combining this fact together with a recent restoration and ownership by a JCNA Concours Judge has resulted in a unique and very highly desirable Roadster. As with most top selling Jaguars, this E Type has excellent documentation, including a Jaguar Daimler Heritage Trust (JDHT) Certificate.

..... *Jaguar Auctions - continued*

The older XK's regained prominence on the auction block with a wonderful Old English White, XK120 Fixed Head Coupe that sold for \$173,500 back at the Gooding & Company Auction. As mentioned in an earlier article, I truly love the roof line of these cars. It is classic! If there is another Jaguar Coupe that I love as much as my XK8, it has to be the XK120. Check

out the recent Jaguar Journal article on Coupes to learn more about the history of this roof line. But I digress. The XK120 here is a mostly original low mileage example with only minor cosmetic restoration applied, original tool kit in the boot, and the all important JDHT certificate.

There were two more Jaguars that earned more than \$100,000 on the auction block in January. One was a 1966 E Type Black coupe that was in close to original condition with low mileage, a JDHT certificate and a mild restoration. It hammered at \$121,000

And the other Cat above the \$100K mark was a 1952 XK120 SE Fixed Head Coupe with a recent Dave Flood restoration and really shiny wire wheels that Gooding & Co. sold for \$115,000.

There was one Jaguar that crossed the block in January that was approaching celebrity status. A pristine Pastel Blue XK140 with only two owners in 56 years was advertised as once being owned by the legendary singing cowboy Roy Rogers. Celebrity provenance along with a unique original color and the coveted tool kit and owner's manual drove the selling price to \$93,500.

A 1962 Mk II 3.8 Saloon for \$88,000

A 1959 black Mark I 3.4 Saloon for \$63,500

What's It Worth by Gary George

You just bought a car from a private party and you are excited. Before you drive off with someone else's plates give a thought to a few things. With those plates you may be driving illegally and your insurance may not cover you in case of an accident. Take your time but I know you are excited you want to take your new toy out and have fun. You want to show it to your friends.

But be cool boy and get the car registered in your name; check with the county where you live. Be sure you have the proper insurance coverage. If it is a collector car get agreed value insurance. Spend a little extra for an appraisal. Make sure that what you bought is what it is represented to be.

I have so many horror stories and I just got a new one. It seems that an "expert" friend of mine is having to buy back a car that he sold to someone out of town. The car had been restored to a very high stan-

dard by one of our local shops and looks and drives great but on checking the vin# it turns out that this OTS started life as a coupe. The seller is an honest dealer so he is giving the buyer back his money. The car is now in California so he will be responsible for shipping too.

Do your homework. Don't take the car out until everything is covered. This is going to be a long term relationship so try not to get too anxious. If you are selling a car then take the plates off when you transfer the car but leave the insurance in place until after you are sure that the deal is complete. Get an "as is, where is" statement, state that there is no warranty expressed or implied. If there are flaws or there is damage document it/them put it all in writing. Get pictures.

I know that you are dealing with "nice people" but that can change in an instant if "buyers remorse" sets in.

Collector Car Council of Colorado, Inc.

Minutes of Meeting, 5 March 2014

Legislation: Leo Boyle reported that a new bill has been introduced, House Bill 14-1299, which proposes to eliminate the exemption to salvage titles for vehicles over 6 years of age. While this will provide buyers with better history of vehicles, it will subject older cars, such as those being restored to being branded as rebuilt-from-salvage if they were very severely damaged prior to start of restoration. We will be following the progress of this bill through legislative committees.

HB14-1100, the "branding" bill has already been amended to accommodate concerns we had. HB14-1056, which clarifies interpretation of HB 13-1071 has passed both House and Senate and has been sent to the governor for signature.

Harold Naber has submitted his notice of retirement from the position of Legislative committee chairman as of the end of this year's legislative session (May 10, 2014).

Rick & Ron Douglas, for **Pit Rally Hillclimb**. Central City Parkway (from I-70 to Central City) will be closed to regular traffic for the climb on August 2nd. Club members can volunteer to serve as corner marshalls. For information, go to www.pitrally.com.
