The Rocky Mountain Jaguar Club - RMJC

PO Box 2923 Denver, CO 80201-2923

www.rockymountainjaguarclub.org

The club's purpose is to promote interest in the preservation, operation and ownership of Jaguar automobiles and to encourage safe, careful and skillful operation. To be a source of technical information, to establish rules and regulations governing Club activities and to promote good sportsmanship at all times.

Cat Tales is published monthly. Reproduction of articles is welcomed if proper credit is given.

Editor: Gordon Kenney, 303-766-7826
newsletter@rockymountainjaguarclub.org

Meetings are held on the 2nd Tuesday of each month at Piccolo's restaurant at 3563 S. Monaco Parkway, 0.2 mile east of I-25 at Hampden and 1 block south on Monaco. Meet at 6:30 pm for drinks and dinner; meeting starts at 7:15.

Meeting are held every month except July and December when special meetings are arranged.

Board meetings, open to all, are at a members house at 6:30 pm on the 1st Tuesday of every even numbered month.

Dues are \$65.00/year which includes "Cat Tales", membership in JCNA, the national "Jaguar Journal", eligibility to enter JCNA sanctioned Concours d'Elegance and other national and regional events.

For new memberships there is a one-time \$20 additional charge covering name tags, club patch, decal and membership cards. Use the form in this newsletter or printed from the web site or sign-up on-line. Non-members subscriptions are \$30/year; Canadian and foreign are \$36/year. Membership is open to owners of Jaguar automobiles and to others interested in furthering the enjoyment of them.

Presidents Letter by Steve Kennedy

Thanks to Brent for hosting a great board meeting at the Denver Athletic Club.

For some of you really old timer members who may remember Bob Buck, Gary and I ran into him at the ACC show. Bob used to have an XK 140 DHC (convertible) that he was always going to restore some day.

He has also been volunteering for some years as a paleontologist at the Denver Museum of Nature and History. Bob sold his XK 140 DHC many years ago. He is now into Saabs and does have a running car.

We used to give him a hard time about this fictitious Jaguar, so one meeting he brought the steering wheel just to prove that at least he owned some part of a Jaguar. Bob is now into digging dinosaur bones. Remember all that stuff we saw on TV a few weeks back? Bob was part of that dig.

Deanie and I attended the Boulder 1940's WWII Ball at the Boulder airport. That was a lot of fun. We rented 1940's costumes. I have photos of my dad during WWII and wore his hat and rented a uniform. Deanie found something fun too. Hopefully next year we can get some more club members to attend with us.

July will be the Summer Party on Saturday, July 13th starting at 3 pm and Deb says they will really be there to host it.

August is already looking busy. Saturday, August 3rd is the CCCC air show at Jeffco Airport in Broomfield. We had several Jaguars there last year. Then Sunday, August 4th is the Scottish Festival which will be held in Citizens Park in Edgewater, near Sloan's Lake, 24th and Sheridan. Please contact Alan Magnusson at alanmg1978@gmail.com or call 303-437-0527.

The Denver Round Table
Invites you to
An Evening in the Pines

Save the date!! Our 42nd annual fund raiser is happening on Saturday, August 17th, 2019. We are again supporting both the Children's Colorado ARCH program and Ridge View Academy.

This year's event is very special. We are at a new and absolutely unique venue.

It is a private event center nestled in the woods in beautiful Castle Pines. We have been selected as one of the few charitable organizations to host an event at this stunning 20,000 square foot estate.

Our emcee for the evening is *Channel Seven News Chief Meteorologist Mike Nelson*.

Feel free to share this with anyone who might be interested in attending. A formal invitation will follow this "Save The Date"

More information about this event can be found at: www.denverroundtable.net

Minutes of June 4th Board Meeting at DMC by Bill Beeson, Secretary

The June Board Meeting was hosted by Brent McGibbon at the Denver Athletic Club. President Steve Kennedy opened the meeting at 7:32pm.

Membership Report-Deanie reports that we have 105 members, with 5 new members within the last few weeks.

Treasurer's Report-Deanie reports that the club is continuing to be on budget and similar with previous years; the Profit and Loss analysis showing only a \$0.49 difference "Year to Date" from the last year's June report.

ACC Show Update-Vince reports that there are 23 Jaguars signed up, with one more promising to register for the show.

Face Book-Mark Kintgen will be posting photos from the ACC to our Facebook page.

Old Business:

2020 JCNA Annual General Meeting at Harrahs Hotel in Las Vegas, NV. Steve and Deanie reported that many events are planned for spouses and guests during the AGM including the Shelby museum tour and The Beatles "Love" Show performed by The Cirque du Soleil. Typically 120 people are in attendance for the Saturday dinner. The host Hotel for the meeting is Harrahs Hotel Las Vegas.

Event Recap:

2019 Spring Dust Off- The Board thanks Betsy Beeson for her excellent efforts to plan and arrange the mid drive Deckers Country Store stop, lunch at Paravicini's, and the Penrose Museum for the Dust Off. Her husband Bill and Gordon Kenney contributed the route.

New Business and Upcoming Events:

The Board agreed to consider a Possible Cherokee Ranch event for 2020.

The Forney Transportation Museum Jaguar Exhibit is scheduled for this fall and it has a C type and D type already committed.

Forney will host a Nov 2nd RMJC Club reception in appreciation of our cooperation with the exhibit.

RMJC Concours d' Elegance June 23 - There is concern over the lack of submitted registrations. If registrations do not increase dramatically and soon, then the Board should consider canceling the Concours competition for this year as the work to conduct a Concours is extensive and time consuming.

The other events scheduled were reviewed (see page 4 for details).

Thank you Brent for providing a great venue and terrific food.

The meeting adjourned at 8:07pm.

Report on the June 9th ACC show by Dwight Eisnach

The Chilly Start at ACCO Show Fails to Curb Jag Lovers

The 36th annual Colorado Concours D'Elegance & Exotic Sports Car Show at Arapahoe Community College on June 9 began in temperatures in the low 40's and the usual shorts and T-shirt car enthusiasts had to trade in the summer garb for long pants, coats, and even gloves to stay warm in the early hours.

But the unusually cool weather did not dampen the spirits at the Jag Corral where 17 vintage and late model Jaguars and their owners braved the light rainfall and enjoyed the day admiring these and other exotic cars. By mid-day RMJC club members and other Jaguar owners pluck was rewarded with sun and temperatures that rose to the 60.

As always, money raised at the Concours will go to support childhood education programs of Ability Connection Colorado. In typical years, spectators number anywhere from 10,000 to 14,000 people and usually \$25,000 to \$40,000 is raised. RMJC made its annual donation of \$500 to Ability Connection this spring.

Of the 17 Jags parked in the Jag Corral, seven were submitted for club judging. Three more Jaguars were entered for Concours judging, including RMJC member Steve Kreisman's 1957 XK140 burgundy drophead coupe.

Other cats in Concours judging included a 1954 green XK120, and a 1967 champagne colored E-Type OTS. Also spotted in another location was one more Jaguar giving a total observed count of 21 Jaguars on a field of approximately 400 cars of all makes, which included classic cars from the early 1900s all the way up to 2019 models. There were four entries from the Horseless Carriage Club that included a 1906 Peerless Touring Car, a 1909 Kissel Touring Car, a 1913 Mercer Runabout, and a 1915 Ford Model T bread truck.

The number of Jaguars and all cars were down slightly from previous years, probably owing to the uncommon weather conditions. It even prompted RMJC Secretary Bill Beeson to observe there were more Saabs on the field this year than Jaguars. "That's not right," he said. Hopefully, a sunnier day in 2020 will get our Jaguar numbers back to where they normally are.

Continued ... Report on the June 9th ACC show by Dwight Eisnach

But the hearty club faithful enjoyed the atmosphere of exotic cars, the music of jazz band MoDaZz, and the best lunch, as always, on the field. Thanks to all club members who brought food which provided an array of delicious treats, including fried chicken, barbecued ribs, potato salad and great desserts!

A big thank you goes to the seven RMJC members who submitted their cars for club judging. There were four classes based on the cars entered and ribbons were available for first and second place in each class. The JCNA Driven Division Class, which is a 10-point scale, was used to judge the cars. The results were as follows:

Class E-Type Series 1.5 and Series 2
1st to Mike & Deborah Ramirez, 1969 E-Type Series 2, roadster, Dark Blue (only entrant).

Class XJ:
1st Place to Jon Strader, 1996 XJ12 LWB, Jade Green (only entrant.)

Class XK8/R:
1st to Brent McGibbon, 2006 XK8 coupe, Silver
2nd to Harry Fegley, 1999 XK8 roadster, BRG
3rd Place to Tom Estes, 2000 XK8 coupe, Black

Class F-Type:
1st to Steve Parker, 2018 SVR, BRG
2nd Place to Frank Oakley, 2014, Grey

Minutes of June 11th Meeting at Piccolos by Bill Beeson, Secretary

Steve opened the meeting at 7:28pm with a welcome to Al and Elinor Vrooman as the members in attendance were pleased to have Al and Elinor join us once again after a too long absence from the General Meetings.

New Members/Guests - There were no new members or guests tonight.

June Birthdays - Steve announced the June and July Birthdays of club members.

We celebrated the 63rd wedding anniversary for Gordon and Shirley Kenney in June. Gordon shared, "the key to a long marriage is to treat it like a recovering drunk... take it one day at a time".

Membership Report - Deanie reported that the club has 106 members with several new members. This is a little down from this time last year.

Treasurer's Report - Deanie reported the club has spent \$0.49 more this year than last year.

Newsletter - Gordon suggested that we look at next month's newsletter for two E-types that will be listed for sale.

Face Book - Mark posted ACC show several photos to the RMJC Facebook page.

Event Recap:

Spring Drive - Special thanks to Betsy Beeson for an excellent Spring Dust Off. The family style lunch at the Paravicini Restaurant and the one of a kind Penrose Museum were the highlights to a beautiful sun filled drive through the hills past Pikes Peak. Thank you Gordon and Bill for the route.

New Business:

2020 Las Vegas JCNA Annual General Meeting Update - Steve and Deanie reported that many of the details for the meeting have been finalized.

Possible Fall Drive or Spring Dust Off destination may be the historic Cherokee Ranch in Douglas County.

Good of the Order –
ACC Show - The club members should note that the Saab club had more cars on display at the ACC show than RMJC. We should do better next year.

Glenwood Rallye - Bob G reported that the Glenwood Rallye was a terrific event. The Rallye left from Gunther Toody's at 8 am for a time-speed-distance Rallye to Glenwood Springs.

Evening presentation – Bill Beeson presented a brief history of the XJR race cars from 1983 to 1991 and a video of the 1991 XJR-15 road car. These cars, the XJR-5 through XJR-15, are a very special part of the history of Jaguar that was highlighted by Jaguar's first win in the 24 hours of Le Mans since the D Type crossed the line first in 1957. The 1988 XJR-9LM won Le Mans with 394 laps covering 5332 km (3313.7 miles) averaging 138 miles per hour and a second Jaguar Le Mans win occurred in 1992 with the XJR-12.

The XJR-15 road car, a derivative of the XJR-9 race car that was slightly more civilized for street use. Ironically, about one half of the fifty three XJR-15's produced were subsequently modified back to race cars. The video, which was produced by The *Jay Leno Garage*, provided the humor laced history of a Tennessee based XJR-15 and a road test drive of this very unique car.

Bill would like to present more historical Jaguar cars and videos in future General meetings. He is currently working on a short history of the Lister Jaguars of the 50's and 60's. These race cars were the successors to the famous D-Types. Ping him with your ideas for Jaguar history presentations.

The meeting was adjourned at 8:41pm.

Which EV's are People Buying ?

Sales figures for new Electric Vehicle (EV) by Gordon K.

Total Plug-In EV's sales/deliveries in the US
Jan. through May of 2019 from "insideevs.com"

Tesla Model 3	46,425
Chevrolet Bolt	6,622
Tesla Model X	6,275
Honda Clarity	5,513
Tesla Model S	5,475
Nissan Leaf	4,825
BMW 530e	2,369
Ford Fusion Energi	2,931
Jaguar I-Pace	1,073
Audi e-tron	1,109

Some of these (Jaguar, Nissan, Tesla) also have significant sales in Europe and Asia.

2019 is the first year when EV's are being sold by almost every auto manufacturer.

Some of these models have been available for six years or more while others are just being introduced. This group range in price from mid 30's to well over 100 k\$'s.

The "driving range" of these cars also varies from around 100 to 370 miles.

The July/Aug. issue of *Jaguar Journal* has a nice review of the I-Pace and of the effect low winter temperatures have on EV range. A very real-world report.

I was a little surprised to see their photo of a "charging" facility on page 17 which shows a typical six-bay Tesla (only) charging facility.

THE NEW ALL-ELECTRIC JAGUAR I-PACE
IT'S ALWAYS THE QUIET ONES

For Sale - 1968 Jaguar E-type Roadster

This 1968 Series 1.5 E-type was purchased locally by the present owner in 1996 and now shows 56,800. It is highly original with matching numbers and colors, according to the Jaguar-Daimler Heritage Trust Certificate. The radio is original (Blaupunkt AM/FM/SW) and still works and the car has a complete, authentic Series I tool set and jack. The car has not been restored, but it has been refurbished over the past several years. This is a fine example of a strong, solid, well cared-for E-type roadster.

Asking price \$84,000. Paul Schmidt, 720-331-7357 Paul_g_schmidt@yahoo.com (5-19)

For Sale: 2006 XK8 2 Door Convertible

Black Exterior and Top with a medium gray leather interior, 4.2 OL V8, AC, AM-FM Radio, CD Player, and an up-graded Grill. Purchased from Stevenson Jaguar in 2009 with 42,000 miles on it and it now has 115,500 miles. You are welcome to see and drive the vehicle in Evergreen where I live or I can bring it to you at another location for your inspection. Asking \$8300.00 or Best Offer. Gene Cookenboo @303-674-7154

(6-19)

74 E-Type 4-Speed OTS For Sale

Regency Red, Saddle Leather Interior (no cracks) were upgraded "new" During engine out (tranny rebuilt) rotisserie restoration 10 years ago along with total new interior package. New carpet, door interior panels, replaced big Bertha bumpers, etc., completed by 2nd owner. I'm the 3rd owner and have owned it for 7 years. Driven less than 15K miles since then. Approximately 6k on current tires. AC blew cold last summer. Great top and back window, Four Fantail exhaust, 89K miles, Great overall condition, maintained by Kats, Appraised by Gary George, A Dream to Drive. Very Reliable and Comfortable to Take on Long Trips. \$93,750.00... Need Garage Space. Todd Keleske. tmkkel@yahoo.com 970-390-0070 Grand Lake CO

Jaguar Books Available

Angel Llanes has a collection of Jaguar related books he no longer needs.

He would like to sell them all with the proceeds going to a charity.

Hopes to raise \$40 obo.

Contact him at 303-885-1015 or at angel_llanes@msn.com

CCCC Collector Car Council:

Minutes of Meeting, 5 June 2019

Mecum Auctions, represented by David Morton and John Kraman, sponsored this dinner meeting as well as the tour of the Cussler Museum that preceded it. Dick Thompson thanked them for their support of the CCCC and their interest in individual car hobbyists. John Kraman described the Mecum auction system, noting that while Denver is smaller than venues such as Kissimmee Florida, they promote the Denver event just like all others, and work with individuals selling and buying collector cars. He outlined the procedure to enter a vehicle and discussed the pros and cons of selling with or without a reserve. He distributed "rack cards" which present the opportunity to obtain discounts for bidders and spectators. Sellers are urged to submit applications with photos not less than 2 weeks before the event (July 12-13 in Denver) in order for the vehicle to be included in the printed program.

Legislative: Leo Boyle reported that there a number of bills passed by the legislature which are waiting be signed or vetoed by the Governor. Regulatory issues related to air quality and emissions will be discussed in the Regional Air Quality Council and the Air Quality Control Commission and we will need to monitor these.
