President's Letter

Well, it looks like that funny time of year has come. A couple of nice days, and then more snow. I know we need the moisture, but come on!!

My collection of Jaguars has shrunk recently. I am apparently still trying to keep repair shops in business on my own. The XK-8 is at Red Noland's for an unknown performance glitch, and the XJ-SC is at Kats' to get running, prior to body and paint. So, I am left with a couple of F's, one Type and one Pace. Life is tough!

9 April is the Spring Tune-Up at my garage. I provide garage, lift, and tools. Coffee and doughnuts/rolls will also be provided, you just need to provide the cars to check out and do minor service on. Starts at 10:00 am and goes until no-one is left. Tell stories, swap lies, whatever. Come on by.

Mike and Deb are doing a great job starting up our concours. If there is any way you can help, get in touch with them.

We have a nice variety of activities planned, so let's have some fun!

Warning-Not an April Fools Joke

Again, one of our club members got hacked and an email was sent out asking that everyone send him gift cards.

Never do this without checking with that person or someone you know that knows him/her first.

PS: Be sure to bring me the hundred bucks!!!

March Meeting Minutes

by Bill Beeson

President Frank O. opened the meeting with a welcome to all. Joining us tonight were New members Dean and Judy Crewet. The Crewets own a, new to them, 2010 green Jaguar XK, a 280Z, a Triumph TR6 (in pieces) and a Mercedes 250 SL. Dean is evidently a car guy and ready to dive into updating the suspension of the XK. We are hoping that Dean and Judy will bring their XK to the next event.

There were 30 enthusiastic members in attendance.

The evening's program – Bill Be followed up on his presentation at last month's meeting on the two remarkable and historic E-Type prototypes, the E1A and the E2A from 1957 and 1960 respectively, with a video presentation. He presented a rare film of the E1A undergoing testing at the hands of Jaguar test driver, Norman Dewis and videos of the E2A being raced in the 2000's in a hill climb competition and historic races at Goodwood. The E1A was crushed by Jaguar at the Brown's Lane facility in 1959. The E2A survives today in loving hands of men who occasionally bring her out for a proper exercise.

Good of the Order - The question was raised from the floor, "Is there any interest in getting RMJC "Invitation to Join" cards printed?" There were several members who expressed their desire to have these cards to hand out to Jaguar owners that we encounter day to day.

CCCC Meeting Minutes

Senate Bill 22-138 (**SB22-138**) is a very complex bill aimed at implementing greenhouse gas emissions reductions in Colorado. It puts requirements on **insurance companies** to add "climate-risk assessments" of investment portfolios, redefines "agrivoltaics" (yes, that's a new word), eliminates gas-powered lawn mowers etc., provides a credit for purchasers of electrical replacements for gas equipment, and tightens the GHG reduction requirements. And there's more, but nothing aimed at on-road vehicles, old or new. Leo will follow how all this moves forward.

Car Thefts: Car thefts are up 500% in the Denver area and that has included collector vehicles. Owners are advised to park cautiously and consider anti-theft devices. The CCCC trailer (used at the Airport Show) was stolen but has been recovered. It will now have a wireless device added that will detect if it is moved.

Airport Show (August 6 at Rocky Mountain Metro Airport): Dick Thompson urged clubs to consider renting a swap meet space to promote their club and to sell excess parts. Rick Ruel volunteered to coordinate vendor sign-ups and locations. There will be an event committee meeting on March 14, 5 pm, at Brothers BBQ, 565 US287 in Broomfield. Anyone interested is welcome to attend.

Conclave Committee Representative Needed

The Colorado English Motoring Conclave committee is seeking representatives from all British car clubs. Currently there are only 4 or 5 members on the committee and they need your help.

The key activity of the Conclave Committee representative from each club is to be the communication link between your Club and the Conclave committee. When each club wants something in particular, the rep is the conduit and vice versa when the committee needs the club to do something, like getting the word out on the next Conclave and creating enthusiasm, in the club, to participate in the Ride the Rockies Tour and the Car Show.

In past years, the Jaguar Club, thanks Deanie, has run the registration table from 7:30 to 9 am.. We expect the rep to help sign Club volunteers in advance to help at Registration and to talk with club members

to find out what was good at past Conclaves and what could be improved. The rep keeps his/her pulse on their club.

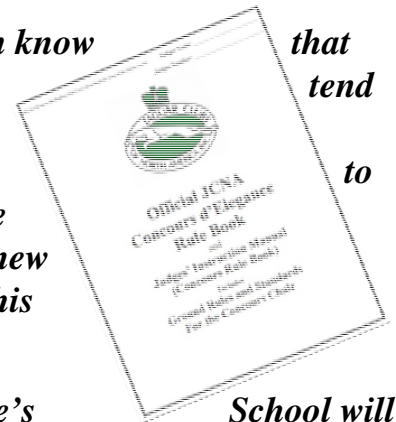

Club Representative Responsibilities:

- Attend monthly meetings, January to September, the third Thursday night at 7 pm. Meetings have been "virtual" early in 2022 and will be face to face for August and September at the Hagerty locations in Golden or near Ken Caryl.
- Relay any Conclave information to their club
- Act as a Conclave advocate - including at any event their respective club is having outside of the Conclave.
- Distribute pre event: advertising, posters, brochures, etc.
- Function as rep/advocate to any Vendor they have a strong relationship, ie: Alan - Hagerty, Bob - Sportscar Craftsmen, John - Ax & Allies
- Coordinate club volunteers for Ride the Rockies Tour and the Car Show.
- Participate / assist in planning one or part of one of the Conclave Activities (Drive, Car Show, advertising, awards, graphics, etc.)
- Learn and be prepared to take over one of the Conclave activities when the opportunity arises
- Participate in the 'bag stuffing' party in September, prior to the Conclave
- Identify any potential improvements
- Participate in the overall running of the event (park policing, park set up / take down, vote tabulation, and awards ceremony)
- Obtain feedback from their club and share with the committee at the wrap up meeting

If you are interested in joining the Conclave Committee, please contact Gary George, 303-477-0189, gfgV12e@aol.com.

Judge's School

The first of two JCNA Judge's Schools will be held at the Kennedy's on April 23rd. Pizza will be there at 11:30. Judge's School starts at Noon, Sharp. New rule books will be handed out, the cost is \$6 per copy, \$4 for pizza, so \$10. Please let Gary 303-477-0189 or Steve skenedy@ecentrta.com know that you plan to attend so we know how many rule books get printed. There are a number of new rules to go over this year.

The second Judge's School will be on May 14th at the Kennedy's.

May Spring Dust-Off

RMJC Members

Here are the details for the Spring Dust-Off event on Sunday, May 22nd.

Parking

There will be an area coned off in the parking lot in the morning before they open. Additional parking will be avail-

able if we need it. We will be parking on the concrete opposite the depot starting at the Clint Yard sign and running the length of the concrete to the driveway (diagram included). This way we can park on concrete without preventing handicapped accessible parking or emergency exits.

Check-in

Everyone will need to pay Deanie \$60 for the tour and lunch. We anticipate 40 members but will have an exact head count prior to that day you will need to check in with Deanie when you arrive. You must be on the list prior to the day of the event.

Tours

The museum will provide several tour guides to help us out that morning. With 40 people we will want to break into smaller groups of 15 or so.

Train Ride

We will board the train at 10:15 AM for the ride. That way we will have a bit of time after the tour to explore on our own and use the restroom.

Lunch

After our tour of the museum, everyone is invited to meet at the Table Mountain Inn for lunch. We will have our own private room and we will have a specially designated parking area for our cars at one of the Table Mountain Inn guest parking areas.

Sign-up Deadline

The final deadline for getting money to Deanie is May 14th. Registration will be available on the club web site. We will not be able to accommodate late registrations for the event, so be sure you sign up early and don't wait until the last minute. You can also mail a check made out to RMJC to Deanie Kennedy, 8137 Zang St, Arvada, CO 80005.

2022 Milwaukee AGM

The 2022 AGM was held in Milwaukee, Wisconsin on March 24-27 at the Sonesta Hotel. There were four different museums that we got to visit. We had some time on Friday so we went to the Harley Davidson Museum. They had over 100 vintage Harleys, they even had Harley #1 and a replica of the original 10x12 SHED where it all started. Later that day we went to Mike & Debbie Korneli's home to see their private collection of Jaguars and some other race cars. Mike has a 1934 SS that he is restoring. He also has a beautiful XK 150 and Series 3 E as well as an XK 140 that needs a total restoration. During that visit, Brian Sheridan gave a great presentation. He was on the race team for Tom Walkinshaw's race team back in the '80's. He had been doing some cylinder head building and research. He happened to see an ad for a racing engineer and answered it. He was asked to fly to Chicago. When he got there, they said, "you look great, we are flying to Belgian for a race, get your things." He had lots of other great stories as well.

That evening there was a dinner and dancing at the hotel. Dennis Eynon got to sing along with the band, which everyone thoroughly enjoyed.

Saturday was the AGM. There were lots of reports about the various workings of JCNA. Then we got to the Rule Book. When Hal and I tell people that we are going to a Jaguar Event, people always ask if it is a car show. we say No, it is a Bitch session and everyone is bitching at us. This year was no exception. Well, the world came to a stop. Then, as it usually does, there was a vigorous discussion about having Judges tested every year and requiring Judges to attend a Judges School at least once in their three-year term. "What an imposition to expect Judges to

be aware of current rule changes that may affect how they judge \$100,000 Jaguars". Well, that got shot down. Judging requirements remain at requiring testing once a year and attending a Judge's School only once during each three-year term. There was also a similar discussion about having Chief Judges take a Chief Judge's test with an equal amount of resistance. There have been a number of problems with how scores are reported and which Judges judged which classes. Some reporting shows Judges who judged classes with no cars in them, others show classes that no one judged. The Chief Judge's test will be available for Chief Judges who would like to take it on a trial basis.

That afternoon we got to tour the Wisconsin Auto Museum. They have 25 Kissel Kars (with a K) that were manufactured in Milwaukee, plus many other vintage cars in their museum. And that evening was the Awards Banquet, Yes, Deanie took 2nd in class with a 99.84. Jack Humphrey, Jaguar Club of Colorado Springs, placed 2nd Regional. Jack also accepted the Dealer's Award for the support that the Red Nolan Dealership gives to the Colorado Springs club.

Thank you to the Wisconsin Jaguar Club and John (JCNA President) and Bunni Boswell for hosting the 2022 AGM and to the following sponsors who help make these events possible every year. SNG Barratt and Tony Lee who always attends these events, Moss Motors, Welsh Jaguar and Bremont Chronometers who had a beautiful display of Jaguar logo watches on display.

The 39th Annual Colorado Concours d'Elegance and Exotic Sports Car Show

Arapahoe Community College, Sunday, June 5, 2022, 9AM - 3PM,

5900 S Santa Fe Drive, Littleton, Colorado 80160

A Benefit for Ability Connection Colorado, www.coloradoconcours.org

The Colorado Concours d'Elegance & Exotic Sports Car Show is the largest gatherings of priceless and exotic sports, classic and exotic automobiles in the Mountain States area. Over 300 treasured cars from early classics and collector cars to vintage race cars and current models will be on display. Many of these incredible cars come out only once a year for this show to help at-risk children through Ability Connection Colorado's Creative Options for Early Childhood Education Program. For more information, please reference the event on-line at: www.coloradoconcours.org

Over 100 local and regional car clubs, businesses and media sponsors attract 10,000+ spectators to generate funds for Ability Connection Colorado (ACCO). Now in its 39th year, the show has become one of the most spectacular, most entertaining and anticipated car shows in Colorado!

To date this spectacular event has raised over \$2,500,000 for the ACCO's Creative Options for Early Childhood Education Centers which specialize in providing early care, intervention, prevention, support and education services to expectant mothers and nearly 400 at-risk infants, toddlers and pre-school children and their families each year.

The Concours d'Elegance and Exotic Sports Car Show is also an excellent opportunity for corporate sponsors to experience tremendous exposure for their company. This prestigious show reaches a well-educated and influential audience of car collectors and enthusiasts as well as the general public. The kids win and the corporate sponsors win. Contact Terri Armstrong at: tarmstrong@abilityconnectioncolorado.org or by calling 303-691-9339 for more information.

There are four ways our club members can support our fundraising:

1) Bring your special cars out to be judged or displayed. Click on the Car Registration tab at www.coloradoconcours.org.

Besides club judging, there is a special Concours judging Group for elite level cars.

The following are the Elite Judging categories:

Class Year of Production

E-1	Pre-World War II 1900 to 1945	E-4	1972 to 1985
E-2	Post World War II 1946 to 1960	E-5	1986 to 2000
E-3	1961 to 1971	E-6	2001 to Present

The Elite Concours Group Judging is based on: styling, engineering excellence, elegance, presentation, condition, cleanliness, and quality of preservation or restoration and historical significance.

2) Be a spectator. Bring the family out and enjoy the fabulous array of Porsches, Jaguars, Ferraris, Corvettes, Mercedes Benz, BMWs, Lotus, Maserati, as well as a long list of other marques.

3) Volunteer to help us on the day of the show. The exotic car clubs in Denver join together to host and manage this show so that all of the income can be provided to help the children. Click on the volunteer tab on the home page to sign up as a volunteer for helping with staging cars, help the judging and scoring, or work at the entrance gate.

4) Donate a little extra. An additional \$10 donation on the registration form would bring in more than \$750 extra from our club. Of course, even if you don't register a car you can write a separate check to ACCO, 801 Yosemite St., Denver, CO 80230. Your extra donation is 100% tax-deductible.

Registration Information (All registrations include two event passes and one event program)

Registration Fees: \$50.00 per car – \$100.00 per car for Elite Group Judging
