## Treasurer's Letter

Sorry Frank could not make it, he had to help with some medical stuff for Jean. And Bob is out of town seeing a friend in San Antonio. Guess that leaves me!

### RR Museum

Thank you again to Steve Parker for putting the RR Museum Tour. Almost everyone I talked to said they had been to the museum many times but never had the tour, it was very informative and fun.

Years ago several of us went to Dolores Colorado and Telluride and saw the Galloping Gooses there. It was fun to see three more and know the history behind them. Now we just have one left to see at Knotts Berry Farms near Anaheim, CA.

### June 5th ACC Show

The June ACC Show sounds like it will be another great event. Not sure what it is yet, but I will bring the main dish. Please bring something as a side dish. They could use some volunteers both on Saturday and Sunday. If you can help, please contact Vince right away,

### June 18th Concours

Deb and Mike are doing a great job preparing for the Concours at the Adams County Fair Grounds. Everyone sounded excited about having a concours this year, it would be great to have a big turnout, even if you just want to show your Jaguar in Display. It should be a really fun day. All registrations include a ticket to tour the museum and you can take a picture of your car in front of the old time gas station.

### July 16th Summer Drive/Party

The Summer Drive/Party will on the 16th. It will be hosted by Tim and Cynthia Volin at their home in Pine Cliff. We will drive up Hwy 72/Coal Creek Canyon and meet at the WonderVu Cafe at 9 am, that Saturday. You can have coffee, rolls or breakfast on your own there. Oh, there is a big parking lot that says No Parking, park there! They have a great drive planned for us. After the drive, we are going to end up at their club house where we will have a catered lunch. There is about a quarter mile of hard backed dirt road, drive your every day car if you are concerned.

### August 6th

This looks to be a very popular day. There is the CCCC Car/Air show at Rocky Mountain (Jeffco) Air Port. The **Bid for the Kids** is going to be in **Haven in the Pines**.

And the **Albuquerque Jaguar Club** is having their concours on that day.

Please attend one of these events so they are all supported.

## May Meeting Minutes

**Deanie K opened to meeting with a warm welcome to all. As the club Treasurer, she ran the meeting tonight because President Frank O. and Vice President Bob G. are both out. Frank is with Jean undergoing tests for her upcoming surgery. Our best wishes go out to Jean.**

**There were no new members or guests in attendance**

**Membership Report** - Deanie reported that the membership remains steady

**Treasurer's Report** - Deanie reported that the club continues to do well and remains on Budget

**CCCC Update** - Tom Estes reported that there were few changes from last month's meeting. Highlights included,

Collector Car owners can opt out of paying the Parks fees on car registrations

The CCCC fund raising Rocky Mountain Car Show on August 6<sup>th</sup> is looking for volunteers to assist with parking

See minutes of the CCCC meeting in this newsletter

**Newsletter** - Steve reported that the newsletter somehow continues to get published. Always looking for content from members. Let's help him out by sending pictures and stories.

**Face Book** - Mark reported that he is looking for more of your Jaguar related pictures to post to the RMJC Facebook page.

### Old Business/Event Recap

There was no Old Business or Event to report

### Upcoming Events/New Business

There are many events scheduled this car season.

Plan to attend as many as you can. They are great fun with good people and beautiful cars.

**June ACC Show** - Vince reported that so far 15 Jaguars have registered for the show. Online registration through ACC site is closed. However, the forms are available on the ACC site and the RMJC site. You can download the registration form and complete it to present on the day of the show. This will greatly speed up the on-site registration process.

This year there will be an Electric car corral to feature the present and future of Automobiles

Remember to bring water and folding chairs to the RMJC tents. RMJC (meaning Deanie) will provide a main dish for lunch. Please bring complimentary picnic dishes (not everyone bring chips). Salads, veggies, finger foods, cookies, desserts, etc.

**RMJC Concours**-Deanie reported the Concours is set for June 18 at the Adams County Fairgrounds. RMJC will provide the lunch which will be served indoors. Plan on lunch to be served at 11:30 and for the Concours to conclude shortly before 3pm. All cars are to exit the Fairgrounds at 3pm.

Talk about slate for Candidates for Club Elections

**Suggestions for the evening's program & request for ideas of topics, speakers, or other ideas for monthly meetings** – None reported

**The evening's program** – Steve and Deanie shared their experience with the Flathead Ford club at Steve Tebo's car collection on Saturday May 14. There were almost as many interesting cars in the parking lot from the various car clubs that were in attendance as there were inside the collection. Steve reported that the collection consists of a tremendous variety of cars, trucks, and motorcycles, covering all types and periods. There is something there for everyone to enjoy.

The Tebo Collection is constantly changing vehicles in the collection and all of them are fully operational. The staff systematically drives each one on a strict schedule.

RMJC has attended this collection in the past and we should plan another visit, since so much has changed.

### Good of the Order

### Raffle-and raffle donations

The meeting was adjourned at 8pm.

## Cover Photo

This Month's Cover photo is of the gang at the Colorado Rail Road Museum, taken on the back of a Pullman Car with the platform. There were around 25 club members that attended the museum tour.

First we got a tour of the grounds. They have over 100 various rail cars, engines and other rolling stock. There are several steam engines, both standard gauge and narrow gauge. Standard gauge measures 4 foot 8 1/2 inches between the rails. Narrow gauge measures 3 foot between the rails. The main reason for narrow gauge was our mountains and the tight turns required in the mountains. Narrow gauge cars are also smaller. A typical narrow gauge engine is around 9 feet high while an engine like the Big Boy at Foreny's is 16 1/2 inches high.

We also got to see three (#2, #6 and #7) of the original seven Galloping Gooses that the Rio Grand Southern Rail Road ran when there was not enough business to warrant running locomotives in the mountains. They were used mainly for passenger and mail service. Number 1 did not survive and was used for parts to support the other six. A replica has since been built and is on display at the Ridgeway (south of Montrose) museum, where all seven were originally built. Number 3 is at Knott's Berry Farm. Number 4 is located in Telluride. Number 5 is in Dolores, Colorado.

A huge thanks to Steve Parker for setting up this tour and to Deanie for setting up a great lunch at the Table Mountain Inn.

While we were at the Table Mountain Inn, Steve did show a great video narrated by Jaguar Author Nigel Thorley. Nigel covered much of Jaguar's history. If you would like to see it, the link is <https://youtu.be/khV3crRejP8>

## Collector Car Council of Colorado Meeting Minutes

**Legislation:** HB22-1338 regarding vehicle registration does not appear to threaten collector cars.

Regarding the additional fee added to all registration to cover state park entrances, CCCC cannot obtain a blanket opt-out for collector cars and it will be left for individuals to opt-out on their own. Procedure for opt-outs is not clear at the present time.

**Ethanol:** Currently E-15 (15% ethanol in gasoline) is authorized but not for use in summer months. In a move to reduce gasoline costs it is proposed to continue its use in summer. This is in conflict with the EPA designation of Colorado being in serious violation of the ozone standard whereby Colorado should reduce the use of ethanol due to its higher volatility. For many collector vehicles ethanol is detrimental to fuel system components.

**Airport Show (August 6 at Rocky Mountain Metro Airport):** Dick Thompson reported that major sponsors from last year are signed on to support this year's event. Costs such as porta-potties, golf carts, and printing are little changed. We still need volunteers (a club?) to coordinate and handle parking.
