June Board Meeting Minutes

President Frank Oakley welcomed the Board Members to the June Board meeting that followed a lovely meal and good conversations as we gathered at the Oakley's home **Membership Report**-Deanie reported that the club has 121 members, which is about the same number as the end of 2020

Treasurer's Report-Deanie reported that Club's P&L statement is solid, in spite of losing about \$350 on the Spring Dust-off. The RMJC Concours d'Elegance will make up for the Dust-off.

CCCC Update-Tom Estes - no report

Newsletter-Steve reported that the discounts available from Office Depot that we have relied on for many years have been cancelled. He is looking for printing alternatives. The best alternative so far is Minuteman Press. The Club used to get 40 copies of the newsletter printed for around \$70 or about \$1.75 each printed copy. Now Office Depot wants \$300 to print 40 copies which is \$7.50 a copy. Minuteman is quoting \$135 per 40 copies.

Face Book-Mark – no report

President's Letter

I do not know where the time has gone, I thought when I retired I would have time for what I want to do, but this is not the case. As everyone says, I do not know how I had time to work!!! My better half is keeping me well occupied!

It looks like our active season is upon us now. We had the Railroad Museum tour, the ACC show, and our Concours, all now in the rear view mirror. This month we have the summer drive/party on the 16th of July at the Volin's in the mountains. Hopefully there will be a good turnout for this. This carries us to August 6th, which has a choice of activities available. Locally there is the CCCC Car/Air show in Broomfield on August 6th, and if you are up for a drive, the Albq club is having their concours and really need judges the same day. But you probably can't do both shows.

On a personal note, I am running out of vehicles!! The XK-8 is in the shop in Colorado Springs. Apparently the rebuilt throttle body has failed, My truck is in the body shop for repairs, due to a lady running a stop sign and hitting it behind the rear wheel, Also I have yet to reassemble the XJ-SC rear axle assembly to get that back up. So, currently all we have is the F crew, Type and Pace. I guess it could be worse, at least they are Jaguars.

We soon are going to have to put together a slate of officers for election. Anyone having any inkling of holding an office, let one of the current officers know. Any and all help will be gratefully appreciated!

I guess that is it for now. Get out and have some fun!

Your President
Frank Oakley

June Monthly Meeting Minutes

President Frank Oakley opened the meeting with, "Welcome everyone to the June RMJC Monthly Meeting." Note: there were no new members or guests present to be recognized.

Membership Report-Deanie reports that we have 121 members on the roster.

Treasurer's Report-Deanie reports that the RMJC Concours last weekend was a financial success and great fun. The Club remains on budget for the year.

CCCC Update-Tom Estes – No report this month

Newsletter - Steve K reports that the Club was forced to change Cat Tales printers due to Office Depot eliminating the discount plan that the Club had used for years. This move raised our printing costs significantly. The Club is now using Minuteman Press. The Minuteman cost is higher than our previous Office Depot costs, but less than the new pricing from Office Depot. The printing turnaround time at Minuteman is longer, which may delay home delivery of the Cat Tales. The online version of the Cat Tales will be available on the usual schedule and is unaffected by the printing changes forced by Office Depot. Steve continues to look for members to send him ideas and content for the Cat Tales.

Face Book-Mark K reports that he posted several photos of the RMJC Concours d'Elegance on the RMJC Face-

book page. Check it out.

Old Business/Event Recap

Spring Dust-off – the Colorado Railroad Museum Dust off and Museum tour was enjoyed by several Club members with detailed guided tours of most of the outside exhibits. Interesting stories about each exhibit provided vivid glimpses of our Colorado history.

June ACC Show-Vince L reports that close to 400 cars were shown at the event, with 14 beautiful Jaguars in attendance. Club member, Steve Parker took second place in the Elite category with his incredibly special order F-Type SVR.

June RMJC Concours-Steve & Deanie reported that 22 Jaguars were in attendance. They ranged from a 1959 FHC XK150 to a current and very rare F-Type Project 7. The Project 7 was 1 of only 125 exported to the United States. Ten of the cars competed for Championship honors, with three cars in the Driven class, and the remainder shown as Display. Dwight and Linda Eisnach's lovely XK8 convertible decided to throw its radiator hose off shortly after arriving, dumping some of its coolant on the ground. For this less than noble act, the Eisnach's received the Concours' "Crap-py Cat" Award. Deanie noted that there were about forty people and three very cute dogs in attendance for a wonderful day and delicious barbeque.

The Jaguar Club of New Mexico is celebrating its 10th anniversary with a Concours d'Elegance on August 6, 2022. We have a great venue, the Unser Racing Museum in Albuquerque, and concours participants will receive a free admission to the museum. Other events in conjunction with concours are a Friday evening welcome reception, a rally style driving tour, and a Saturday night awards dinner. So far we have registrations from New Mexico, Colorado, California, Texas and Virginia! Please consider coming down and joining in on the fun. We especially want to encourage certified concours judges to participate and help us put on a great concours. Come on down to New Mexico and have a great Jaguar styled weekend!

Jaguar Unveils Stunning E-Type Restoration During Platinum Jubilee Pageant

<https://www.cnet.com/roadshow/news/jaguar-classic-e-type-restoration-platinum-jubilee-pageant/>
written by **Andrew Krok**, contributed by Howard Mumm

The E-Type is one of Jaguar's most iconic cars, so it's good to see the automaker giving them the love they deserve.

Jaguar Classic is the corner of the British automaker focused on breathing new life into vintage Jag-uar of all shapes and sizes. We've seen some im-beaten, no less) five years, and a sight to be-

day unveiled its latest Clas-
sic creation, a
one-off 1965 Series 1 E-
Type Roadster,

First, the owner wanted the "new" car built from an E-Type Roadster from the year of his birth. Jaguar managed to find a donor E-Type built just *two days* after the owner was born. The vehicle was basically rebuilt from the ground up, and the bodywork was painted in a deep blue reminiscent of the Union Jack, while the bright red interior pays homage to the classic British pillar box, a kind of mailbox unique to the United Kingdom and overseas British territories.

Jaguar on Tuesday unveiled its latest Classic creation, a one-off 1965 Series 1 E-Type Roadster, as part of the Queen's Platinum Jubilee celebration.

Aesthetics were not the only thing Jaguar Classic focused on. The division also went to work on the powertrain, replacing the original 4.2-liter inline-6 gas engine with a beefier 4.7-liter unit. That mates to Jaguar Classic's custom five-speed manual transmission, which was built to slot into E-Types without chassis modifications. Jaguar further strengthened the car's handling with wider wheels and improved suspension components, while new headers and a new exhaust should have it sounding mighty fine.

Jaguar Classic made sure to throw some additional 21st-century love in the car's direction, too. LED lighting will make the car much easier to spot from a distance. Inside, the automaker installed its Classic Infotainment upgrade, which places a small telematics display in the old radio slot, giving the car navigation and Bluetooth capabilities.

We have seen many wild creations from Jaguar Classic in the past. In 2016, the automaker announced that it would build 9 XKSS models to 1957 specifications, each fetching a price tag around \$1.5 million. In 2018, we saw the company's modernized take on the D-Type, followed by the all-electric E-Type Zero.

Cover Photo

This month's cover photo is of David and Corine Reser's Project 7 F-Type. The Project 7 is a factory built race car of which they made 250 cars. Its name is derived from the seven times Jaguar has won the famous Le Mans 24-hour race. Three of those historic wins came in our iconic 1950s D-type, which recently celebrated its 60th anniversary. The brief to our designers was to conceive a modern day D-type. F-TYPE Project 7 is the exhilarating result. (Jaguar Cars)

If you are familiar with Corvette's C1 through C8 designations, referring to the number of different body styles produced over the years, coincidentally Project 7 is the 7th variant of Jaguar style race cars; (1) SS90-SS100, (2) C-Type, (3) D-Type, (4) E-Type, (5) XJS, (6) XK8~XK, (7) F-Type.

David was out to buy a Porsche from a dealership, when he arrived he happened to see this beautiful blue Jaguar and knew he had to have it. But he loves it so much and it is such low mileage, that he still needs to go buy a Porsche just to have something fun to drive. I told him he should go buy another F-Type.

Collector Car Council of Colorado Meeting Minutes

Guest Speaker: Christof Kheim (our meeting's host) described featured displays coming up at the Forney. One display will be fire trucks and another will be "Cars of 1957". The Museum would welcome 1957 model cars from CCCC clubs. They would be on secure display August through October.

Legislation: Leo Boyle reported that the Colorado Legislature adjourned for 2022 after 11 pm on May 4, as required by law, leaving many bills to fail (until 2023, perhaps). There is no new legislation that affects collector vehicles although the broad titles of some had room for amendments that could have been problematic.

Leo mentioned that primaries are coming up this month and voters will be tested to watch for misleading claims. Leo and Ted Rossi reported that the "Friends of Collector Cars" PAC will not be distributing funds until after the primaries are over, and those funds should be balanced between different party candidates.

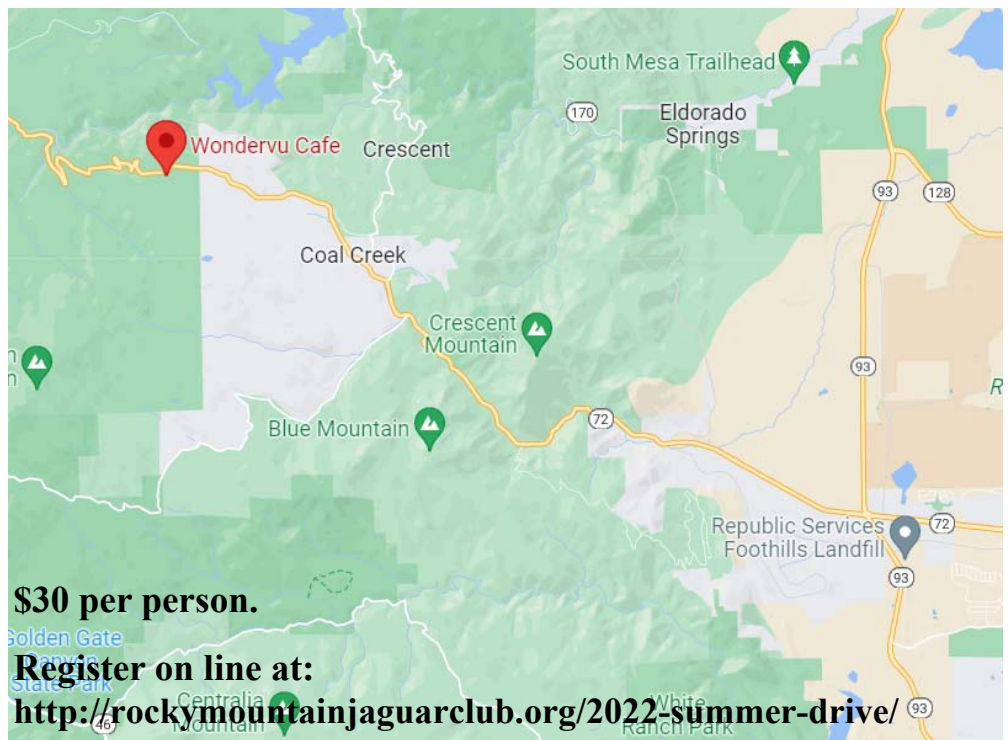

Airport Show (August 6 at Rocky Mountain Metro Airport): Dick Thompson summarized the planning meeting held with RMMA on May 23rd. Costs such as porta-potties, golf carts, and printing are basically the same as last year. A total of 36 volunteers are needed to run the event, in 2-hour shifts. The cost is \$10 per car at car show gate.

July Summer Party

The Summer Drive/Party will on the 16th. It will be hosted by Tim and Cynthia Volin at their home in Pine Cliff.

We will drive up Hwy 72/Coal Creek Canyon and meet at the WonderVu Café, 33492 CO-72, Golden, CO 80403, at **9 am**, that Saturday. You can have coffee, rolls or breakfast on your own there. Oh, there is a big parking lot that says No Parking, **park there!** They have a great drive planned for us. After the drive, we are going to end up at their club house where we will have a catered lunch. There is about a quar-

ter mile of hard backed dirt road, drive your every day car if you are concerned. **Deadline for sign-up is July 11th.**

\$30 per person.

The 2022 RMJC Concours was held at the Adams County Museum. Deb and Mike, mostly Deb, Ramirez did a great job putting this concours. And, cannot go without thanking Deanie and Steve for their guidance and continuous efforts to keep the concours happening. The volunteers at the museum were more than helpful and accommodating as well. They opened up their large museum area for everyone to have tables and lunch. There were 45 people, including quite a few spectators.

There were around 22 Jaguars in attendance, including 7 Champion Division, 2 Special Division, 2 Driven Division, plus lots of Display Jaguars.

It was a great venue. They opened all of their museums, there were multiple buildings. Everyone had their photo taken in front of the vintage Conoco gas station.

Thanks to Lyle Ferrell from Albq and to Craig Beale and John Repper for coming up and Apprenticing so they are ready to judge at their concours on August 6th. We need to support their club as well for their August 6th concours which will be held at the Unser Racing Museum.

And a HUGE thanks to Gary George for all of his years as RMJC's Chief Judge. Gary has been Chief Judging for around 40 years, and we really appreciate all of his efforts.
