The Rocky Mountain Jaguar

Post Office Box 2923, Denver, CO 80201-2923

The club's purpose is to promote interest in the preservation, operation and ownership of Jaguar automobiles and to encourage safe, careful and skillful operation. To be a source of technical information, to establish rules and regulations governing Club activities and to promote good sportsmanship at all times.

Cat Tales is published monthly by the Rocky Mtn. Jaguar Club.

Reproduction of articles is welcomed provided proper credit is given.

**Editor: Steve Kennedy, 303-489-3955
newsletter@rockymountainjaguarclub.org**

Meetings are held the **2nd Tuesday** of each month at the **Blue Bonnet**, 457 South Broadway, Denver. Call 303-489-3955 for details. Join us for Dinner at 6pm, meeting at 7 pm.

Board meetings are open to all and are held at a member's house at 6:30 pm on the **1st Tuesday** of every **even** numbered month.

President's Letter

Greetings Everyone and welcome to October. I'm not exactly sure when Fall officially arrives but there was certainly no sign of it today, Sunday Sept. 17th, at the 40th annual English Motoring Conclave at Oak Park in Arvada. Our own Gary George is one of the originators of this great event and this year's rendition was one of the best I can recall. We definitely held our own with some 40 Jaguars new and old in attendance and some really spectacular Cats were on display. Congrats to all our club award winners!

The Blue Bonnet Restaurant is quickly becoming the "not to be missed" meeting place for Jaguar lovers on the 2nd Tuesdays of each month. Some 25 RMJC members and friends gathered this past Tuesday, Sept 12th, for a wonderful social hour, great Mexican food, a really neat presentation by Secretary/Historian Bill Beeson and a fun evening to catch up on all things Jaguar. Next month's meeting is October 10th.

A big thanks to everyone who came out on Sunday, Sept 10th, to support the ACC Colorado Concours at Arapahoe Community College and the JCSC Southern Colorado club Concours held simultaneously at the Broadmoor Resort in Colorado Springs. Both events were deemed a big success. A special thanks to our Judges who made the trip down and did the hard work at the Colo Springs club event.

Be sure and get your tickets for Bids for the Kids "Rendezvous at the Bend" being held this year at the Heritage Eagle Bend Golf Club in Aurora. It's a great way to support one of our club's designated charities and is guaranteed to be a fun evening! Also watch for info on a fall drive, Oct 14th, hosted by Tom Wieringa, the new GM at Lakewood Jaguar; and don't forget to mark your calendars now for Sunday, Dec 10th for our annual Holiday Party at the Blackstone Country and Golf Club in Aurora.

See you all October 10th at the Blue Bonnet!

"True terror is to wake up one morning and discover that your high school class is running the country." Kurt Vonnegut

Vince

CCCC Minutes

Leo Boyle, our lobbyist, gave an overview about the issue of the Denver metro area being out of compliance with EPA Air Standards for Ozone and how the state legislature is working on ideas for legislative action to bring the metro area into compliance. A working meeting of a group of legislators was held on August 28th. The meeting was primarily for education of what causes ozone, how it affects humans and the health issues. Leo stated that state Senator, Chris Hansen of Denver attended and made remarks about general information as to the causes of ozone and remedies for it. Also, state Senator Barbara Kirkmeyer of southern Weld County and far north Thornton, spoke in favor of preserving the oil and gas industry in Colorado and that in the process of attempting to reduce ozone, those industries should have protections. The legislature has in place a form of a Cash For Clunkers program to remove the 500 most polluting cars within the metro area. **The "cash" most likely will be in the form of a voucher towards the purchase of an electric car.** There have been 680 applications for this program. **The money comes from a 27-cent tax on ALL home deliveries, be that Amazon, groceries, food from restaurants, any home delivery from a business.**

Following Leo was Matthew Groves from the Colorado Automotive Dealers Association (CADA). Matthew spoke about how Colorado is working toward meeting 80% of California's goal for sales of electric cars by 2032. CA is wanting 100% sales of electric cars by 2035. Currently he states that the CO legislature has no stomach for reaching 100% electric sales by 2035. The Fed's in their attempt to help states achieve the CA goal (which 18 states have signed up with), manufacturers will have to have 47% of their cars shipped to the states to be electric vehicles. His opinion is that to accomplish this the manufacturers, for cars to those 18 states (includes CO), will ship few if any electrics to the western slope or eastern plains, thus unloading on the front range all of the required electric cars. **Stellantis has already stated that they will quit shipping ALL internal combustion engines by 2032.**

Tom Estes
CCCC Rep

This Month's Cover

Bristol Ann Mumm is the granddaughter of members Howard and Cyndi Mumm. She was our mascot for the day, replete in jaguar print, standing in front of the Kennedy's stunning XKR-S. Deanie won 1st in class and Best of Show with a 99.99! The JCSC Concours was great fun with 30 Jaguars on Sunday, Sept 10, at the beautiful Broadmoor in Colorado Springs.

September Monthly Meeting Minutes

President Vince Lane opened the meeting with a welcome to the RMJC Monthly Meeting at the Blue Bonnet Café. In attendance were new club members Michael and Judy Whitehouse with their Gray 1966 E-Type OTS, and Monte Ramirez and his XJ12 Coupe, and Matt and Ruth Hahn with their 2005 VDP who joined the club shortly after they met the club at last month's meeting. Also, a former club member returning to the club, Harrison Phillips with his Pale Primrose 1969 E-Type Coupe.

This evening's guests were former members and Presidents of the RMJC, Howard and Cyndi Mumm visiting from Sarasota, Florida. Vince also recognized our newest and youngest member, Miss Willa Marie Galassini who was born to Sarah and Jonathan on Aug 23rd.

Birthdays:

Will Rense Sep 2	Ken Laff Sep 5	Carol Anne Freeman Wilson Sep 9
Eliot Brown Sep 14	Bob Lewis Sep 17	Victoria Murphy Sep 17
Margaret Mulhall Sep 22	Sarah Galassini Sep 25	Steve Kennedy Sep 25

Membership Report-Deanie reported that the club has 119 members.

Treasurer's Report-Deanie reported that the club is doing very well.

CCCC Update-Tom reported that the CCCC car show was a success and Steve reported that it was well attended.

Cat Tales Newsletter-With all the recent events, the October Cat Tales will have additional pages.

Facebook- Mark is still recovering from a recent case of Covid. We wish him well.

Upcoming Events

Sep 15 - Colorado Grand cars on the streets of Lionshead in Vail, 2:00 to 5:00 pm

Sep 16-17 - Vail Concours, Vail

Sep 16-17 - Colorado English Motoring Conclave, Oak Park, Arvada

Sep 24 - Telluride Autumn Classic, Telluride

Sep 28- Oct 1 - 2023 International Jaguar Festival (IJF), Columbia SC,

Oct 20 - Bids For Kids, Heritage Eagle Bend Golf Club, Aurora, RMJC supports this charity event that benefits the Children's Hospital Colorado ARCH sports program and the Phamaly Theater.

ARCH provides recreational resources and programs for children, teens, and young adults with physical disabilities. By focusing on individual abilities, this program seeks to help kids develop skills that lead to a lifetime of healthy leisure and awareness.

Phamaly Theater Company's mission is to be a creative home for theatre artists with disabilities; to model a disability-affirmative theatrical process; and to upend conventional narratives by transforming individuals, audiences, and the world.

Dec 10 - RMJC Holiday Party, Blackstone Country Club, Aurora

New Business

JCSC Concours was held during the Colorado Concours at the Broadmoor Hotel Conference center of the approximately 90 vehicles there were 30 Jaguars. The venue was changed from the Golf Course to the Conference Center due to inclement weather.

ACC Concours was held on the lawn of Arapahoe Community College with about 300 vehicles. The vehicle numbers were somewhat lower than typical due to moving the date from June and sketchy weather predictions. 12 Jaguars were in attendance.

Old Business – None

Tonight's Presentation by Bill Beeson – “Jaguar D-Type, the Finned Cat”, a brief history of the D-Type race cars and videos from the 1956 Le Mans practice session, Arizona D-Type owner Terry Larson, and D-Types racing at Goodwood 2022.

Suggestions for programs, topics, speakers & other ideas

Raffle - Bob G. won the raffle pot tonight and new members were treated with prizes from other raffle winners.

Good of the Order

The meeting was adjourned at 8:30pm

Bill Beeson, RMJC Secretary

For Sale

Who Said Owning a Jaguar was Easy?

Back in the dark days of Covid I went on a search for a pre-60s sports car to drive on the Colorado Grand, a 1000 mile rally through the Rockies. (It's a charity event and we donate over \$200,000/year to the State Patrol and communities who host us.)

I began watching auctions of exotic cars in Europe but apparently during the shutdown going there to test drive cars was not essential travel. Go figure?

My UK college buddy from Germany suggested XK's. He has a 140. My first car was a MGA, now I have my family's '36 Bentley & a Healey. I had an XJ6 in the '90s, my first modern car. So I watched BAT.com found what looked like a "fully restored" car in Spokane and won it at what appeared to be a great price (another story for another time). Its a '51 OTS. I found an original frame for the retractable top with side-screens from Tony in Chula Vista, CA. He was prompt until he wasn't after I returned the side-screen frames to be reworked and never heard from him again, 2 years ago. I just heard he died and someone was selling off his inventory but no one responded to letters, emails and calls to get my parts back.

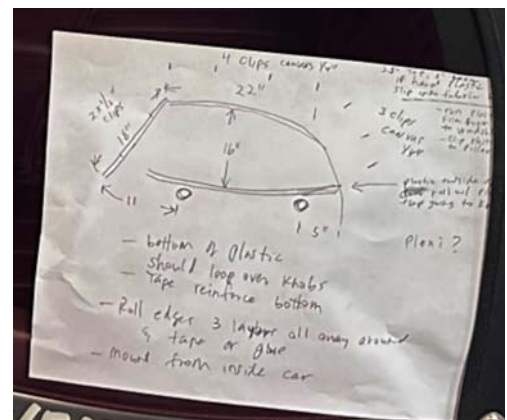

So then I went to Geoff & Andrea at Jolly Rogers who sent me frames that were for a different contour and has since determined there were various shapes for XK120s. He has been on the trail but alas the Colorado Grand is coming up mid-September.

I know other XK owners who have never raised their tops. Well, they would be in a fishbowl if a deluge hits like this one from the Grand last year. (Bentley photo) I raised the top by myself for the first time 2 years after installing it. It went up with a little adjustment but latched! So at least I have a lid.

I traced the window opening, made a template and bought 1/8" plexi from Ace Hardware. They sell an etching tool – my first time using one went reasonably well and I cut the contours for two windows at once, about 2 hours. The idea is the sheets fit into the pockets of the top where the rain baffles follow the opening on top and back. I will use blue tape on the front edge to the windshield pillars. It's for a worse case scenario to not get soaked. The idea is to protect the leather seats and stay dry. The downside will be misting so will turn the heater motor on with out heat. Can also open the floor side vents if they do not scoop too much water.

Regards,

Steve Weil

Fall Drive-Saturday, October 14th

The General Manager of the Lakewood Jaguar Dealership, Tom Wierina, would like to invite everyone to their new facility at 7999 West Colfax, (one block west of Wadsworth on Colfax) at 8:30 on Saturday, October 14th for Coffee and Donuts and to see the new Jaguars. Formally Stevinson Jaguar, now owned by the Asbury Corporation, Lakewood Jaguar will be our starting point for our Fall Drive.

We will gather at 8:30 and take a look around the showroom and service area, then leave around 9:00~9:30 and head west on Colfax, working our way over to Highway 93, then up Coal Creek Canyon, through Nederland, then back down thru Boulder to Louisville for lunch around 11:30 at Murphy's Tap House, 585 McCaslin Blvd, Louisville, CO 80027. If you don't already have it, put my number in your cell phone, Steve Kennedy-Jaguar Club, 303-489-3955. Weather may change our plans, but right now, that is what we are thinking. %

Be sure to come in and see the new Lakewood Jaguar Dealership at Colfax and Allison, just a few blocks west of Wadsworth

Thank you to **Lakewood Jaguar** for your continuing RMJC support and your Raffle Donations. Please support **Lakewood Jaguar**

75 Years of Heartfelt Thanks

As Moss Motors celebrates a 75-year milestone, the first words that come to mind are "Thank You!"
What a great ride it's been so far with these amazing cars, and we're so grateful for the exciting road ahead.

WHAT'S NEW FOR JAGUAR: 2024 MODEL YEAR HIGHLIGHTS

<https://media.jaguar.com/en-us/news/2023/06/whats-new-jaguar-2024-model-year-highlights>

- At 2024 Model Year, Jaguar customers worldwide benefit from a simplified, more focused model range. Non-R-Dynamic vehicles are no longer offered, streamlining the offer while providing enhanced specifications.
- Design-focused updates like Black Exterior Pack are now standard on all Jaguar models in North America, complimented with styling options and standard high-demand features.
- F-TYPE celebrates the final model year and 75 years of Jaguar sports cars. Customers can choose the F-TYPE 75 or F-TYPE R 75 special editions, along with the R-Dynamic F-TYPE. Each model is powered by Jaguar's supercharged 5.0-litre V8.
- I-PACE features a more distinctive design: The smooth new grille, Atlas Grey front aperture blades, body-color door finishers and rear diffuser subtly enhance the I-PACE vehicle's award-winning* design for heightened visual impact and presence. The addition of two striking satin paints gives the I-PACE a sophisticated, contemporary look.
- Pivi Pro (4) infotainment system is standard on F-PACE, E-PACE, I-PACE, and XF, with integrated Alexa voice control (1,2) and what3words (1) navigation, Wireless Apple CarPlay® (3) and Wireless Android Auto™ (3)

Courtesy Jaguar Cars

(MAHWAH, N.J.) – June 26, 2023 This press release serves as a broad overview of enhancements and treatments made for the 2024 model across the Jaguar vehicle line up including more design and performance implications.
