## President's Letter

Hello everyone and welcome to March. Is it Spring yet? Two 60+ degree days coming up as I write this on Sunday evening, February 17th. Now if I just had a new (to me) old Jaguar (with a power top this time) I would be all set. Not to worry, I have every intention of resolving this issue in good order. Thanks to everybody who turned out last week at the Blue Bonnet as we celebrated Valentine's Day with special favors courtesy of Debbie Ramirez. Some 32 members enjoyed the fine food and beverages. We also welcomed Wayne and Debbie Anderson's new 2011 XKR into the fold and the car looks spectacular from the pictures I've seen. I'm sure Steve will find a space in the newsletter very soon so all of us can see what a fine acquisition they have made.

If you were at the February Club meeting on the 13th, you heard me talk about a new membership recruiting campaign being implemented by JCNA. Jack Humphrey from our sister club in Colorado Springs is on the 4 person Recruiting Team and Colorado is one of 7 states selected for a "test run". JCNA has obtained access to a list of 7800 Jaguar owners who have purchased a new or used Jaguar in the last 12 to 18 months. The test run will be 1000 direct mailings which will include a 4 color Recruitment Brochure, a list of JCNA Member Benefits, a tear-off response card to indicate interest and a reply envelope addressed to JCNA with pre-paid postage. JCNA Membership will distribute the responses received to the appropriate club's Membership Chair who will make the contact to the prospective member. Stay Tuned.

As I mentioned last month, this year's Annual General Meeting (AGM) will be March 14th through the 17th in Charlotte NC, and looks to be a really nice event. As I also noted, Steve and Deanie Kennedy will attend and represent our club's interests. Among the topics to be addressed is the continuing correspondence from "they that shall not be named" claiming that somehow our non-profit car club is in violation of numerous copyrights owned by their clients who have not been properly compensated for certain pictures, cartoons or articles, portions of which have appeared in our newsletters. Hopefully our own JCNA legal counsel will be able to point out to them the error of their ways.

As a reminder, our RMJC annual Judges School for Jaguar Concours Judging will take place at the Kennedy's on Saturdays April 20th and May 11th. As of this writing the Spring Dust Off date of May 18th is still tentative. The scheduled plan is to view the car collections of our own Jeff Schroeder and his neighbor Pete Lansing. We may include a short drive and a nice lunch stop as well.

Our JCNA sanctioned RMJC Concours scheduled for June 22nd is now set. We will display and judge our Jaguars on the lawns of the Cherry Creek Country Club. The cost of registration will include a light breakfast and lunch served in the adjacent pavilion. Registration will be open shortly. Details and Registration Forms will be available both in upcoming editions of Cat Tales as well as on the JCNA website under "events". I'm thinking

"Resort Casual".

The Ability Connection Colorado (ACC) Colorado Concours is now set for Sunday, June 9th. This is the 41st year of this event and RMJC has been a long time major supporter of this great cause.

Steve and Deanie will host our annual Summer Party on Saturday, July 13th, at their house; and this year's International Jaguar Festival will take place from Sept. 25th through Sept. 29th at the Twin Arrows Resort and Casino in Flagstaff, AZ. Special room rates start at \$169.00 per night.

Thanks everyone for all your help in supporting these events!

See you all Tuesday, March 12th at the Blue Bonnet!

"A car is never just a car". Enzo Ferrari

## February Board Minutes

Welcome Everyone to the February 6, 2024 RMJC Board Meeting. Thanks to Mike and Deborah for hosting tonight's meeting and a delicious Valentines Day themed dinner.

**Member News:** Vince reported that Wayne & Deb Anderson acquired a Silver 2011 XKR to add to their collection and that Jan and Roger Radcliff may be looking at for 2024 F-Type, the last of the F-Types. We will learn more at the February General Meeting

**Membership Report:** Deanie reported that the club has 98 members to date.

**Treasurer's Report-**Deanie provided a Financial Comparison of 2023 to 2022 which showed that the actuals for 2023 were on budget and on par with the 2022 financials.

**CCCC Update-**Tom Estes - No new news from CCCC. Their meeting is upcoming.

**Cat Tales-**Steve reported that due to the AGM meeting in March, the April issue of Cat Tales will be slightly delayed.

**Upcoming Events;** The Board discussed details associated with the upcoming events from now until September. Of special note were the Spring Dust-Off and the RMJC Concours d'Elegance.

Mark Mayuga T/C

**New Business:** Vince presented a new program by JCNA that is a campaign to contact 7800 recent Jaguar purchasers to encourage these owners to join local Jaguar clubs and JCNA. The JCNA Direct Mail Recruiting Project led by Mark Mederski, a former marketer for American Motorcycle Assoc, is targeting the 7 states of Florida, North Carolina, Ohio, Texas, Washington, Wisconsin, and Colorado. Each new owner will receive a JCNA brochure and an invitation to join local clubs. RMJC should benefit from this campaign.

Dust and Shine at the Forney, RMJC was informed about new Dust & Shine guidelines for scheduling. If there is sufficient interest by RMJC members, Vince will coordinate a date for the club to help the museum maintain their collection and enjoy the museum as a club event.

At the suggestion of a club member, the Board discussed a potential Fall Drive going through Southpark and down into Colorado Springs. It was concluded that this drive would be a much longer distance than a typical RMJC Drive event and therefore, probably not a viable option.

Steve and Deanie reported that the 2024 RMJC Member Roster is planned to be published in April.

**Old Business:** Copyright Lawsuit Threats continue. Vince and Steve continue to collaborate with our lawyer and the JCNA for ways to make them cease and desist.

Vince reported on the Rogers Willet Funeral and Reception

**Suggestions for Programs, Topics, Speakers etc.** None provided

**Adjourned:** 9:00pm

**Bill Beeson—Secretary**

President Vince opened the meeting with “Welcome Everyone to the February 13, 2024 RMJC Monthly Meeting at the Blue Bonnet Café and Happy Valentines Day”. There were 31 Members in attendance. There no Guests in attendance.

**Birthdays:** Feb 1 - Deb Anderson

Feb 3 - Digby Kirby

Feb 10 - Kay Kintgen

Feb 13 - Bob Grossman

Feb 14 - Amyjo Adams

Feb 15 - Steven Kreisman

Feb 19 - Rick DeWilde

Feb 22 - Jim Miller

**Members News:** Wayne & Deb have a newly acquired 2011 XKR supercharged beauty as a companion to their lovely XJS. It was sourced locally possibly as a birthday present for Deb, whose birthday was February 1.

Jan and Roger Radcliffe have been thinking about acquiring a 2024 Last Edition F-Type. After visiting the dealer, this acquisition may be considered again in the future.

On another note of interest, Roger recently had a scary experience with his 2015 XK which show a low tire indication during a trip in Arizona. Limping to the nearest tire shop, it was determined that the low tire warning was actually caused by a cracked wheel. This could have been disastrous had the wheel completely failed.

Frank and Jean Oakley are back from Portugal after eight weeks of examining a possible relocation. They reported that living in Portugal was good with beautiful scenery, inexpensive housing, and very friendly people, but no being fluent in Portuguese was a detriment. They shared some funny stories about their time there. For instance; Frank, of course, found a Jaguar car show near their house to enjoy. In the long run, Frank & Jean determined that having nothing to do other than relax was not the life for them, especially Frank. Sidenote: As the Oakley's continue to simplify their life, their F-Type convertible is now for sale.

**Membership Report-**Deanie reported that we have 102 members who have sent in their 2024 due. This is

a good number for the club this early in the year.

**Treasurer's Report-** Deanie reported that the club is on Budget for the year.

**CCCC Update-** Tom Estes reported that the last meeting of CCCC was at Rocky Mountain Metropolitan airport. One subject of discussion was sustaining car club memberships post-Covid. Several clubs reported having problems with declining membership and asked how RMJC maintains our steady membership. We are pleased to have loyal members. Other information about the meeting is in Tom's CCCC report.

**Facebook-** Mark reports that the January and February Cat Tales have been posted

## **This Month's Cover**

This month's cover is of Cathy and Edward Settle's X-Type. Cathy arrived in Colorado from Maryland in 1994 driving a beautiful green Jaguar VDP. The car seemed to have issues with altitude, so she reluctantly traded it for a Range Rover. Over the years, she kept longing for her Jaguar. In April 2023, she told Edward she wanted a Jaguar for their 26th anniversary. Edward bought her a 1974 XJ6, a 1976 XJ6, and a 2006 X-type VDP. He also signed up for club membership so they could spend time together socializing around the cars. Cathy loved the X-type until she couldn't drive anymore in August.

Cathy Ann Settle passed away peacefully and surrounded by family on September 28, 2023 after 9 years of steadfastly battling the brutal effects of West Nile and Parkinson's. She was a natural beauty (body and soul). She was vibrant, creative, protective, gracious, fun, encouraging, compassionate, sharp, confident, assertive, witty, strong, courageous, resilient, happy, industrious, productive, persevering, and an inspiration to everyone who knew her. She was an excellent role model for any woman. Cathy's X-Type is now being loved on by a new owner in Northern Colorado.

## CCCC Meeting Updates

These will be given out to the club's organizer before the event or obtained from the CCCC secretary upon request. As of mid-February, only October is available.
