President's Letter

Hello everyone and welcome to April. This coming weekend is Easter and the weather folks are predicting close to 70 degrees for both Saturday and Sunday. Yeah! I am ready! Great to see everyone at the March monthly meeting on Tuesday the 12th. I think the "head count" was about 30 members in attendance to enjoy the good food, camaraderie and Bill Beeson's presentation on the history of the British Flat Cap. Thanks again Bill!

Photo by Barb Lane

Steve and Deanie have just returned from the AGM in Charlotte, NC. They can fill us in on all the JCNA national news, gossip, rumors and all things Jaguar for 2024 and the future at our April meeting on Tuesday the 9th.

The Denver Auto Show is back at the Convention Center downtown where it belongs. This year it runs Thursday through Sunday April 4th through the 7th. I mention it here because one of our designated charities, Ability Connection Colorado (ACC), promotes their main annual fundraiser, the Colorado Concours, at the Man Cave booth at the auto show. They need volunteers to work a 4 hour shift at the booth promoting the concours and passing out discount admission tickets. Your 4 hour shift will include free admission to the auto show. If interested you can contact Terri Armstrong at ACC for details or contact me and I can get you connected.

Speaking of which, this year's ACC Colorado Concours takes place Sunday, June 9th. Registration is now open and this year's "Featured Marque" is "Pre WW II". Entry fee to display your car is still \$50 and \$100 gets you elite judging. If you would like your car to be elite judged you need to sign up on the ACC website by May 10th. Last day for regular on-line registration is May 17th. If you register by May 17th, your car will appear in the program along with any description, history, special features etc. you provide with your on-line registration. Be sure to indicate your club affiliation with RMJC when you register. Let's have a great turnout this year!

I want to remind everyone that Steve's Judge's schools will take place at the Kennedy's on Saturdays April 20th and May 11th. Please RSVP if you would like to attend and get certified. I also need to mention a few events that have not been listed previously in the Schedule of Events section of the newsletter. These include the MG Club Glennwood

Springs Rally which takes place June 7th, 8th and 9th in Glenwood Springs and is nationally recognized as one of the premier car club rallies in the country. Unfortunately for us, it conflicts, as it usually does, with the ACC Concours. Our friends at JCSC in Colorado Springs now have their JCNA sanctioned Concours set for July 21st at the Colorado Springs Event Center. Lonnie Spanwick (719-314-7883) is the Concours chair. The Morgan Adams Concours will take place on August 24th at Centennial Airport. If you want to see the really exceptional cars, vintage aircraft and motorcycles that don't appear in public anywhere else, this is the event! Finally, if the International Jaguar Festival (IJF) in Flagstaff, AZ, Sept. 25th through the 29th, seems a little further than you like to prowl in your Big Cat; you might consider the Telluride Autumn Classic which will take place that same weekend in Telluride, CO. This is another "high end" and very "classy" Concours and they are definitely interested in having the Jaguar Marque represented.

Thanks again everyone for your help in supporting all of our events!

See you all Tuesday, April 9th at the Blue Bonnet

President Vince

March Monthly Minutes

President Vince opened the meeting with a welcome to the March General meeting at the Blue Bonnet Café. There were 29 members in attendance, with no new members or guests present.

The club and member vehicle news this month was the announcement that the 2014 F type Convertible V6 of the Oakley's is for sale. This beauty has been lovingly cared for by its original owner and expert Jaguar mechanic, Frank Oakley.

March Birthdays

13th - Linda Eisnach, 14th - Bill Bunch,
20th - Pete Day, 25th - Bill Beeson,
26th - Gene & Susan Cookenboo

Deanie K reported that the club's treasury is doing very well, and the club remains on budget. She also reported that the RMJC membership now stands at 122.

Tom E. reported on the most recent Colorado Collector Car Council (CCCC) meeting. Thankfully, there is nothing new from the Colorado legislature affecting the car hobby, but they are watching Bills 1338 & 1339 dealing with air pol-

lution impacts. Reminder to all members: CCCC can benefit from participation at the April 27th Gateway Cars car show. Gateway will contribute \$200 to CCCC, if 20 cars from member club attend their show. Gateway Cars car shows are similar to Car and Coffee events and occur on the last Saturday of each month.

Steve K. reported that the April Cat tales will be late due to the Kennedys representing RMJC at the JCNA Annual General Meeting (AGM).

The March Cat Tales has been posted on Facebook, thanks to our Facebook guru, Mark K.

RMJC Event News- There are many events that are coming up quick. Each one is an opportunity for you to show and enjoy your Jaguar

March 14th-17th - JCNA AGM in Charlotte, NC. Steve and Deanie K are representing RMJC at this year's meeting.

March 16th - Jaguar Club of Southern Colorado (JCSC) is hosting the British Car Meet @ The Brit Restaurant in Colorado Springs, If interest contact LaRon Cosley

April 4th-7th - The Denver Auto Show. Please note that there is an Ability Connection Colorado (ACC) Concours promotion at the Man Cave Booth. They are providing discount tickets for volunteers to man the Man Cave booth for 4 hours shift. The Man Cave folks are also looking for a beautiful Jaguar for display in the booth.

April 20th The Kennedys will host the JCNA Judge's school at their home. All judges should RSVP to the Kennedys.

May 11th - Second Judges school at Kennedys.

May 18th The RMJC Spring Dust-Off will be a visit to the Jeff Schroder Collection and a neighboring American classics collection.

June 9th - The ACC Colorado Concours will be held at the Arapahoe Community College. RMJC members volunteers are needed to assist with the layout and setup of the car grid the day before.

June 22nd - The RMJC Concours will be held at the Cherry Creek Country Club thanks to efforts and support of Alex R., Steve P., and Brent M.

July 13th - The RMJC Summer Party will be hosted this year by the Kennedys. The fun will begin at 3pm and will go until it ceases.

July 20th - RMJC members will be helping the Forney Transportation Museum with a Dust and Shine event to spruce up the cars on display. Those in attendance are treated to free admission.

Sep 7th The Jaguar Club of New Mexico (JCNM) will host their Concours, at The New Mexico State Fair Grounds in Albuquerque.

Sep 25th-29th - International Jaguar Festival (IJF) will be

held in Flagstaff, NM at the Twin Arrows Casino, hotel rates for participants is \$169.00 per night.

There was no **Old** or **New Business** to discuss this evening.

Program

This evening's program was "The History of the British Flat Cap" by Yours Truly. I decided to mix it up this month with a light-hearted look at the one hat that is most associated with sports cars, the Flat Cap. Every RMJC member should have at least one Flat Cap.

Meeting Adjourned at 8:34pm

This Month's Cover

This month's cover is of Wayne Raasch's F-Type. He started the Colorado F-Type Owner's Club shortly after purchasing an 'R' of his own. He has been building the F-Type Facebook Group (around 40 strong now), and was planning a meet 'n' cruise on May 18th, which, by odd chance happened to fall upon the same date that we plan to meet at Jeff Schroeder's. He hopes to meet with our club to 'combine forces'. In other words, to introduce members of both clubs to each other's and build both on all things CO area 'Cats'.

Please reach out to him on Facebook under *Colorado F-Type Owner's Club (group)* or cecil.raasch@yahoo.com

CCCC Meeting Updates

Legislation: The CCCC lobbyist Leo Boyle noted that the Legislature is aware of and concerned about the EPA's designating the Denver Front Range Area being in serious violation of the ozone air quality standard and 5 bills dealing with air quality have agreed the oil & gas industry (the bills are HB24-1330, HB24-1338, HB24-1339, SB24-165, and SB24-166). It is possible that in committee amendments could be added that will affect car hobbyists so Leo will be attending hearings.

Gateway Classic Cars Caffeine & Chrome: The CCCC is to be featured at Gateway on Saturday morning April 27th. CCCC will receive \$10 for each vehicle we enter, up to 20 vehicles.

SEMA Show passes: John Ehrlich has requested information from SEMA about comp passes for the November SEMA Show. We have gotten 15 passes in recent years. CCCC members requesting passes should contact him by email at

Altechprec@yahoo.com.

Birthday Request

We received an interesting request. We got a call from "Pinkie", not a club member, whose father is in his 90s'.

Anyway, back when he was younger, he had an XK 150 that was "Light Blue", so it was probably the same color as Dave Massy's XK 150, Cotswold Blue.

For his birthday on Wednesday, April 24th, she would like to have someone take him for a ride in an XK 150 and Dave has offered to do this. But it would be great to have a few more Jaguars for him to look at.

We were thinking that on Saturday, April 20th, it would be great if we could get several Jaguars together for him to see. As we also have our Judge's School on Saturday, April 20th, many of us cannot make it. But if you can help out, please let Dave know and he will coordinate everything. David Massy dmassy@hotmail.com

Forney's Dust and Shine

Forney's has asked the Jaguar club to help them with dusting their main collection. It was discussed at the February monthly meeting and everyone agreed that it would be a fun event.

We need 20 to 25 members to help with dusting on **Saturday, July 20th**. We will meet there at 9:30 and they will provide the dusting supplies as well as coffee and donuts. At 9:30 they will instruct us as to just what we need to do. Then from 10 to 12, we will dust the main collection.

If you are interested in helping, please contact either Vince, blcswvjd@msn.com or Steve, skennedy@ecentral.com

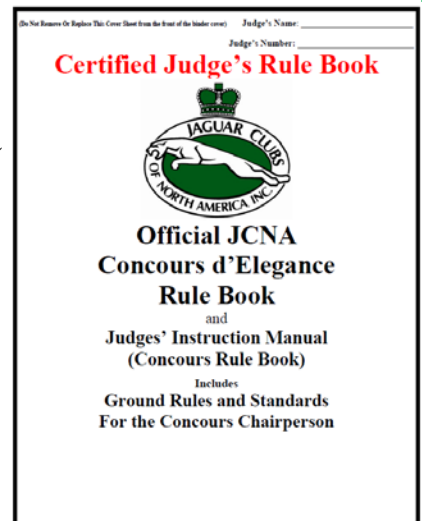

We will find somewhere to go to lunch afterwards. Suggestions welcomed.

April Judge's School

The first RMJC Judge's School will be held Saturday, April 20th at the Kennedys', 8137 Zang St, Arvada, CO. A second Judge's School will be offered May 11th if needed. Free Pizza at 11:30, Judge's School from 12 to 4. For those of you who were Apprentice Judges last year, this will be your first opportunity to judge as a Certified Judge. If you need a Certified Judge's shirt, contact Steve for details.

Rule Books are \$20 each. We will go over new rules for the 2024 Concours Season.

2024 JCNA Annual General Meeting

The 2024 AGM was held in Charlotte, NC at the Embassy Suites Hilton across the street from the NAS-CAR Hall of Fame museum on March 14-17th. Steve and Deanie left Denver on Wednesday, just before the big snow storm that closed DIA on Thursday.

There was a Meet and Greet cocktail party atop the Fahrenheit Charlotte Thursday evening.

Friday morning was a tour of the RK Motors museum. They had a vast collection of race cars and a few classics. The one Jaguar we did get to see was owned by one of the local club members,

Thank you to all of the AGM Sponsors

They have their own studio with a turn table and huge light above

Saturday AGM

The morning started out calm with various reports being covered. When it came time for the JCNA-JLR Report, Fred Hammond had not previously submitted one. He wanted to clear up various roomers. Jaguar Cars is not closing and is not being purchased by China. Fred says that yes, numerous dealerships have lost their franchises. That is just due to restructuring and getting ready for the move to the All Electric models.

For the IJF, there may be some changes coming. The initial plans to hold the IJF at Flagstaff is currently on hold due to some management concerns.

Rule Book, there was lots of heated discussion regarding that Judges Schools be held 30 days prior to the concours, but in the end, most everyone agreed to it.

Finally on to the evening's Awards Banquet where Deanie was awarded 1st Place, of course, for her Italian Racing Red, 2014 XKR-S with a score of 99.93. Steve will have to do more cleaning to bring that score up for next year.

After leaving Charlotte, we went down to visit Howard and Cyndi. Besides eating lots, Cyndi took the JCNA Chief Judge's test and passed with flying colors, thus she is now the Chief Judge for the Suncoast Jaguar Club based in the Tampa area. We also conducted their Judge's School so now their Judges are now certified and ready to judge at their concours in October.

Deanie got North American 1st in Class 15 with her XKR-S with a score of 99.93

We were also fortunate to be with Howard and Cyndi at the time they were hosting their Music Matters Gala that supports young upcoming musicians.

As we left just before the big Denver snow storm, we returned just in time for the next storm, fortunately, not as deep as the previous storm.

2024 Ability Connection Colorado Concours

The ACC Concours will be held on Sunday, June 9th from 9 to 3. Entry fee for Club Judging, which is what we do, is \$50 per vehicle. Go to www.ColoradoConcours.org scroll to the bottom to register.
