President's Letter

Hello everyone and welcome to May. Great to see everyone at the April monthly meeting on Tuesday the 9th. I think this month's "head count" was some 36 members and guests in attendance to enjoy the good food and comradere. Steve and Deanie, fresh back from the AGM in Charlotte, presented a great slide show of the "Cars of the AGM." Although only one Jaguar sat lonely in the parking lot, 2 museum tours provided the backdrop for some really great photos. Check out the April Cat Tales for some of the best. The Kennedys also gave us a rundown on some of the highlights and not so high lights of the meetings themselves.

The Denver Auto Show was back at the Convention Center downtown, its pre-Covid location. It ran Thursday through Sunday April 4th through the 7th. Ability Connection Colorado (ACC), again promoted, the Colorado Concours, at the Man Cave booth, who also hosted a table for the British Conclave, the Morgan Adams Concours and the Automezzi Colorado 2024 Celebration of Italian Motoring. You can google all the details for these great auto shows and register and/or purchase tickets online.

If you missed Steve's 1st Judges School and would like to learn how your own Jag is supposed to look; it's not too late. You can still sign up for the 2nd School which will be held on Saturday, May 11th, at the Kennedys. Be sure and RSVP to them ahead of time.

This year's Spring Dust-Off is Saturday, May 4th. We will visit our own Jeff Schroeder's wonderful cars along with his warehouse neighbor, Pete Lansing's beautiful collection. Although I am sworn to secrecy, Barb and I have a special reason for attending. All I can say is that our special reason will be "revealed" at the event. Hope everyone can attend!

This year's ACC Colorado Concours takes place Sunday, June 9th. Registration is open. Entry fee to display your car is still \$50 and \$100 gets you elite judging. If you would like your car to be elite judged you need to sign up on the ACC website by May 10th. Last day for regular on-line registration is May 17th. Be sure to indicate your club affiliation with RMJC when you register.

Don't forget our turn to "**Dust N Shine**" the Forney Museum vehicles is **Saturday, July 20th**. If you signed up at the April meeting you know who you are. There are 16 of us on the list. We have room for 4 more if you would still like to get in on the fun. Let me know via text or T/C and I can add you to the group.

Other events of interest include the MG Club Glenwood Springs Rally which takes place June 7th, 8th and 9th in Glenwood Springs. The Morgan Adams Concours will take place on August 24th at Centennial Airport. The "British Conclave" at Oak Park in Arvada will be on Sept. 14th (a drive through the foothills) and 15th (the show itself). Our friends in Colorado Springs, JCSC, are still expecting to hold a JCNA sanctioned Concours sometime in late summer or early fall; most likely at the Colorado Springs Event Center. They are still working on the date.

Unfortunately, as of this writing, the International Jaguar Festival (IJF) that was scheduled to take place in Flagstaff, AZ, sometime in Mid-September, has been canceled. Also

the Telluride Autumn Classic will take place the 26th through the 28th of September in Telluride.

Thanks again everyone for your help in supporting all of our events!

See you all Tuesday, May 14th at the Blue Bonnet

"It doesn't cost anymore to make something pretty". Sir William Lyons.

New Business

“Chatter from Charlotte AGM”- Steve and Deanie once again admirably represented RMJC at the JCNA Annual General Meeting. Steve, in his roles of Concours Rule Book Editor and RMJC Chief Judge, spent considerable time discussing and revising the 2024 rule book. Overall everybody had a good time connecting with friends while enjoying local car museums and good food.
JCNA New Member Invitation Project Update. The results of the JCNA promotion were disappointing, with just a few responses nationwide and none for RMJC.

CCCC Meeting Updates

Legislation: House Bill 24-1380 dealing with issuance of oil & gas drilling has been killed but four other bills (House and Senate) concerning the ozone air quality problem have yet to be heard in committees. We recognize that amendments threatening use of vehicles can be added even at the last few days of the 2024 legislative session which ends in May.

Web site: Representatives are urged to check the information about their club on the Council's web site (www.collectorcarcouncil.org) and advise Ben Aycrigg (Baycrigg@Live.com) if it needs correction.

Rolls Royce Owners Club: The RROC Rocky Mountain Region has applied for membership with the CCCC.

Tri State Show: There were 11 cars in the club booth area and 6 awards were won. Thanks to everyone who helped out. This was a great opportunity for exchange of ideas with other clubs most of which are in the street rod and muscle car category.

Gateway Classic Cars Caffeine & Chrome: The CCCC is to be featured at Gateway on Saturday morning April 27th. CCCC will receive \$10 for each vehicle we enter, up to 20 vehicles.

Lincoln Tech Car Show: Also on April 27, there will be the annual car show at Lincoln Technical College at 11194 E 45th Ave in north Denver from 9 am to 2 pm. We urge members to attend one or the other as they are great opportunities to promote the CCCC.

Next Meeting: The May 1 meeting will be at the Forney Museum, 4303 Brighton Blvd., Denver. Starting time: 7:30 pm MDT. The meeting was adjourned at 8:34 pm MDT.

Jaguar Clubs of North America

To: All JCNA Regional Directors and Members
From: J. J. Keig, JCNA President
Date: April 29, 2024
Subject: Status of the 2024 International Jaguar Festival

It is with deep regret that the 2024 International Jaguar Festival originally planned for Flagstaff, Arizona, has been cancelled.

As the incoming President of JCNA, I strongly supported this event that was originally scheduled this year for September for several reasons:

- Hosting an IJF and the three primary sanctioned events would provide overdue opportunities for an underserved geographic market area for many JCNA clubs, understanding that many JCNA members must travel far and wide to secure three sanctioned scores in order to be eligible for North American points. An event in Flagstaff would provide a 3rd, and possibly a 4th sanctioned event and therefore greatly reduce the time, expense, and resources to obtain the minimum number of events.
- JCNA has advertised this signature event to be held in Flagstaff, AZ since last fall.
- Significant planning, arrangements and the resources of others have been made by JCNA, and affiliate clubs.

Unfortunately, despite extraordinary efforts, we have been unable to coordinate appropriate hotel lodging and venue space that would be suitable for both the Concours and Slalom events with all the amenities for a safe, affordable, and enjoyable event. The cancellation decision was made by both the Executive Committee and the Board of JCNA after much consideration and discussion.

Unforeseen complications with our planning process contributed to the cancellation of this event. Measurable actions have been taken to prevent such occurrences in the future.

Please accept my sincere apologies for any disruption to plans this may have caused.

Looking forward to 2025, JCNA is fortunate to have many well managed and robust clubs located in optimum market areas that would be ideal for an IJF. Please contact your Regional Director or myself personally if your club is interested in hosting our next IJF.

Old School Meets Future Cool.

Moss catalogs, with exploded view schematics, were created to make life easier for British car owners. And when you shop with us online you'll find the same schematics. It took a bit of programming to be able to click the part you want to buy, but that old school touch is here to stay. *Give it a try at MossMotors.com.*
