President's Letter

Welcome to the February edition of the President's news letter. Judy and I are currently in sunny Arizona at our winter home that I share with my sister from Boise. So far it's 70 above and pleasant. Working on my tan! The January club meeting was well attended and in addition to our typical agenda we were fortunate to have Ray Cody the founder of the Telluride Autumn Classic Car show to share information about the event held each year in September. The event typically has some of the finest collector cars, motorcycles and airplanes in attendance. The golf course venue in Telluride is beautiful with ample space to display many fine examples. Ray shared a video of the history of the event and some of the fine automobiles and luminarias that have been in attendance. Ray came a long way to explain the agenda and to personally invite the Rocky Mountain Jaguar Club to help anchor the event as Jaguar will be the featured marque of the show. Any and all Jaguar models and years are welcome. The space available for our examples is large so come one, come all. The event includes evening get togethers with food and beverages. Lodging in Telluride for the event is somewhat limited so those interested in attending should be looking to book accommodations soon. There is a website available for the event and rates at various hotels should be provided there. Just google Telluride Autumn Classic for more information. We should be able to provide more detailed information after the February board meeting at our February General club meeting. With winter in full swing and "Stock show" weather in town, club events involving driving will be a ways off. There are a number of indoor events that may be of interest. The Collector Car Council of Colorado (coloradocarcouncil.com) website has a slate of events that may be of interest. As the new President of our club, I intend to try and attend as many events as possible to recruit new members. We have a great group of Jaguar enthusiasts in our club that are happy to share our knowledge of the marque and share the fun. One important up-

coming event is the annual judges school that Steve Kennedy, our chief judge is holding the school this spring. The classes not only qualify you to judge at club events but also teach you what you need to do to make your Jag ready for an event. I highly recommend attending. The first school is planned for April 12th and we will make sure we provide updates in the upcoming news letters and on our RMJC Facebook page.

President Tom Estes

Dave Merewether

Dave Merewether, who owned an XK 140 OTS, passed away January 21, 2025. Before the JCNM was formed he was a member of RMJC. He and Ann moved to Albuquerque in 1941 with his parents Edward and Mary Merewether, brother Edward of Placitas and his sister Eleanor (deceased).

January Minutes

RMJC January General Meeting

01/14/2025

Incoming President Tom Estes welcomed everyone to his first RMJC meeting as President at the Blue Bonnet Cafe.

Guests: This evening Ray Cody, the Founder of the Telluride Autumn Classic, joined us to discuss the 2025 event and the Featured Marque of the event being Jaguar. Ray described the three day event in September as a premier car show that combines the natural beauty of Telluride with its Fall colors and amazing cars from around the States and other parts of the world. The venue has the capacity of more than 400 cars with a rally, a downtown car show, music, casino night, and the Concours de Elegance as the finale to the weekend. Ray asked RMJC members to bring our Jaguars as part of the featured marque at the Concours de Elegance. A good time will be had by all who attend.

Membership Report: Deanie reported that the club has had 101 members renew their memberships, with more coming in regularly. The club is required to report our membership with our dues to JCNA soon, so please send your renewals to Deanie as soon as possible.

Treasurer's Report: Deanie reported the club is as rich as it will ever be this year since we have had no outgoing expenses.

Colorado Collector Car Council (CCCC) Report: President Tom, continuing as the RMJC representative to the CCCC, described that the major purpose of CCCC is to protect the rights and livelihood of the collector car hobby in Colorado. The CCCC maintains a paid lobbyist to monitor and report of Colorado Legislature activities and pending Bills that will affect car collectors. The CCCC consists of fifty plus supporting Colorado car clubs. The August CCCC car show, and swap meet that is held at the Rocky Mountain Metro Airport in Broomfield is their major annual fund raiser. As a reminder, the CCCC event will be on August 2, 2025, with a \$10 entry fee.

Newsletter: Steve reported that they just keep on flowing out of his computer each month. President Tom added, I hope everyone reads that Cat Tales newsletter each month. They are a wealth of information on past events and upcoming

activities.”

Facebook: Mark was not at the meeting due to Flu symptoms, but it was reported that pictures from the Holiday Party have been posted. President Tom noted that there are two RMJC Facebook pages in existence. This duplication of RMJC information occurred many years ago when someone created the unsponsored second page. Multiple efforts by RMJC Board members have gone into eliminating the second page, but it still exists. The authentic RMJC page is updated on a regular basis and contains much more information.

Recent events:

The Holiday Party last month was a very enjoyable gathering where the members were treated to great conversations, food, and fun Jaguar camaraderie. We were gifted with surprise Jaguar memorabilia that had been donated to the club by (please fill in the donors)

Steve shared an update on the Florida Jaguar Concours de Elegance that was organized by RMJC members Cindy and Howard Mumm. Cindy and Howard led many RMJC events while they lived in Parker Colorado. Their contributions to RMJC were substantial. Now they are sharing their gifts with the Florida club. The Concours sounded like another terrific gathering of outstanding Jaguars and their enthusiast owners.

Upcoming events:

Program: Telluride Autumn Classic - Ray Cody provided not only his description of the Telluride Autumn Classic three day car even that was detailed earlier in these minutes, but he also presented a delightful video of the 2024 event and the induction of the event into the Colorado Motorsports Hall of Fame. It showed that each member should put this event on their calendar for a wonderful Fall colors drive and event.

Raffle: The 1st prize of ½ of the raffle pot was won by our most recent previous club President, Vince. Congratulations Vince! You earned this random prize and more for your leadership during the past two years.

Meeting adjourned.

Bill Beeson, RMJC Secretary

Telluride Autumn Classic

We are excited to invite all of our National Jaguar affiliated club members to join us for an unforgettable event this fall. The Rocky Mountain Jaguar Club is thrilled to host "A Clowder of Cats" rally in conjunction with the renowned Telluride Autumn Classic, taking place from September 25th to the 27th in the breathtaking landscapes of southern Colorado.

This event has been recognized as one of the top 10 events in America by USA TODAY, promising an exhilarating experience for car enthusiasts and nature lovers alike. Telluride's charm, with its stunning mountain views and vibrant fall foliage, provides the perfect backdrop for our gathering.

This would be a Nationally focused Jaguar event. I am working with Ray to take care of invitations and informational updates to all of the National Jaguar Clubs via the Jaguar Journal.

There would be no cost for the Jaguar Clubs for this event – unless they want to be sponsors. The only expense is either a \$100.00 per car Concours Registration fee to show your Jaguar on Saturday or \$349.00 per person for a three day pass which includes the \$100.00 concours registration. The \$349.00 pass also includes access to all of the events over three days with food and beverages. As for Hotels, there will be several to choose from that will offer significant discounts for the weekend.

Event Details:

www.tellurideautumnclassic.com

Dates: September 25-27, 2025

Location: Telluride, Colorado

Rally Information:

Steve Parker, Rocky Mountain Jaguar Club Colorado, sparker1298@gmail.com, will head up gathering in Denver, CO for a scenic rally to Telluride, traversing the beautiful front range of the Rockies.

For clubs located west of the Rockies: Marty Ross, Jaguar Club of Central Arizona, 928 266 5790 will head up the gathering in Flagstaff, AZ.

Alternatively, your club may choose to journey directly to Telluride, where we will all converge for an unforgettable weekend. If you prefer to trailer your Jaguar, that will also be an option.

Highlights:

Experience the thrill of driving through some of the most picturesque mountain routes in America.

Community Gathering:

Connect with fellow Jaguar enthusiasts and share your passion for our iconic automobiles.

Scenic Destination:

Enjoy the fall colors and crisp mountain air in the idyllic town of Telluride. We encourage you to rally your club members and make plans to join us for this exceptional event. More detailed information will be forthcoming as we approach the dates, ensuring that you have all you need for a seamless and memorable experience. Lodging and Ticket information can be found on this website. www.tellurideautumnclassic.com

As I say, this is a work in progress, we're not there yet. We have much to do to make this the best Telluride Autumn Classic yet! Please feel free to reach out with any questions or to coordinate your club's participation.

Warmest Regards,

Steve Parker sparker1298@gmail.com
