## President's Letter

April showers bring May flowers, what to May flowers bring....Pilgrims! I just got back from Arizona this week. I go down there twice a year to do maintenance on the family house there and to help my sister Alice travel back to her house in Boise, Idaho. One of the things that always amazes me is how green it is in Idaho and Colorado compared to points south. While the desert, sorta, kinda, has its own beauty, I go there for the sunshine not the view. I do enjoy the fishing on the lower Colorado River though. It flows about a quarter mile from the house. They have this fish there called a Striper. They are a large fish that looks like a cross between a bass and a northern pike. Fun to catch and there are few trout there as well.

This Sunday, May 4<sup>th</sup>, is the Spring Dust-off. The cost is \$20 per person. If you prefer to send a check please do so payable to RMJC c/o Deanie Kennedy, 8137 Zang St. Arvada CO 80005. All reservations needed by May 1. See the RMJC website for info. This note may not be published before this so I hope our membership takes the time to periodically check our website <http://rockymountainjaguarclub.org> for more information on upcoming events. Here's hoping the weather will cooperate for this weekend. The forecast says it will be sunny and high 60's so if it holds it will be great weather to break out the cats and have a boisterous clowder. What is a Clowder you ask? Go look it up in your Funk and Wagnall. OK, you can google it if you have to.

I was hoping to have an update on the pending legislation in the Colorado House regarding the ability to license and operate various collectable vehicles but the Colorado Collector Car Council website did not post any further updates since I reported on it at the April Club meeting at the Blue Bonnet. I will endeavor to perceive! I should have more info at our May meeting.

There is a whole host of events planned for the club this summer and I encourage all of you to attend as many as possible. The Rocky Mountain Jaguar Club exists because our members join and participate. The fun isn't just driving our iron, it's also the meet and greet we get to experience with the members. It is too easy these days to crawl onto the internet and wander around in hyperspace, secure from the outside world. Like my dear old pappy used to say "Life is short, then you die". Get out there, have a REAL experience so you can have stories to tell. As always, have pleasant journeys on friendly roads.

**Tom Estes RMJC President.**

## Cover Photo

This month's cover is of a beautiful Series 1 E-Type, restored by Dean Cusano, Motorcars Inc., Plainville, CT, [www.motorcarsinc.com](http://www.motorcarsinc.com) as displayed at the 2025 AGM in Valley Forge, PA.

## AGM Report

The 2025 AGM was held in Valley Forge, PA, about 20 miles from Philadelphia on April 24-27.

On Friday, there was a morning Bridge Tour. There were eight groups of six Jaguars each. It was a beautiful, scenic drive through around a dozen covered bridges. We found that the reason for the bridge covers was to protect the wooden bridges from deteriorating due to all the rain they get.

Really nice day, 75 degrees, restaurant with outdoor seating. Total drive was about 50 miles. There were over 100 people on the tour. For people who did not have their own Jaguars, the club members volunteered to take them along. One of the tour routes was through part of the Valley Forge Park where George Washington had his encampment in the 177-1778 winter where the 12,000 soldiers of the Continental Army and 400 women and children stayed. Did you know the Revolutionary War lasted from April 19, 1775 to September 3, 1783, 8 long years.

In the late afternoon, was a tour of the Simeone Foundation Auto Museum where there were around one hundred beautiful unrestored race cars.

Saturday day was the AGM. It was not as bad as it has been in some years past, not too much controversy anyway, and Judge's will be glad to know, NO RULE CHANGES from the current rule book that was handed out at the last Judge's School. The most heated discussion was around the Series 1 E-Type Judge's Guide that many of our members have helped me with. I have a few photos I still need to get, but overall, it was well received. Once completed, it will get posted on the JCNA web site for review during the upcoming year. At the next AGM, I am to host a seminar covering the highlights of the guide the day before the AGM. Then on the day of the AGM, it will be voted upon.

Speaking of the 2026 AGM, the Jaguar Club of Mexico (City) has volunteered to host it. Tentative dates are mid-April 2026.

After the AGM, there were a number of club Jaguars on display outside, one of which was the blue E-type that Dean Cusano restored.

For the Saturday evening banquet, someone from Jaguar Cars was there and he did talk about the new all electric Jaguar, but no photos and not much information was given than we had not already heard. **Steve & Deanie**

## RMJC April General Meeting

04-08-2025

President Tom opened the meeting welcoming everyone to the April General meeting and expressed thanks to Deb and Mike Ramirez for hosting the April Board meeting.

**New Members and Guests**-Tom recognized a potential new member, Allen Lawrence who was in attendance to learn more about the club. Allen and his wife own a 1999 XJ8 that they purchased new and a recently purchased 2007 XK convertible.

**New cars**: Steve Kennedy has lusted after a particular 2007 XK Coupe since he first laid eyes on it at the dealership 18 years ago. Over the years, he tried a few times to purchase the car from its owner, but to no avail. Circumstances changed and Steve was able to add this very special Blue Prism Mica XK to their growing collection of cars. The XK was obviously lovingly cared for and driven lightly. It shows like a brand new Jaguar.

**Membership Report**-**Deanie** reported that the club has 105 registered members.

**Treasurer's Report**-**Deanie** reported that the club continues to have a solid treasury.

**CCCC Update**-**Tom** reported that the CCCC Meeting last Wednesday was held at the Falcon Police Station. Tom shared the 2025 CCCC Mission statement. He noted that there is a move at the Colorado legislature to mitigate the recent law regarding the use of vintage military vehicles on public roads. Tom also shared the CCCC car show flyer for the August event. More information on the car is available on the CCCC website

**Newsletter**-**Steve** reported that 2025 RMJC Rosters were mailed out but some have apparently been lost in the mail or returned undelivered.

**Facebook**- **Mark** reported that the April Cat Tales newsletter is posted.

## Recent Events Report and Upcoming Events:

**Wings and Wheels Car Show**- coming up this Saturday 4/12 at the Pueblo Weisbrod Aircraft Museum

**ColoRodans Rod Festival**-scheduled for July 27<sup>th</sup> at Mountain States Children's Home

**RMJC Concours**-**President Tom** reported that the RMJC Board approved hiring Modazz/Miami Sound Machine to play at the RMJC Cherry Creek Country Club Concours. Brent McGibbon will cover their expenses, Thank you Brent!!! Modazz will provide light jazz on the patio (nothing too loud and more like background music) with a 3-4 piece band. Tom is actively promoting Modazz for multiple gigs at Cherry Creek Country Club, Our Concours will be a good audition for the club management. Also, this year's Concours will be limited to the first thirty-five registered Jaguars due to space provided by the country club.

**Morgan Adams Event**- reports that they desire a large showing of Jaguars at the August 22-24 event, In particular on Saturday the 23<sup>rd</sup>, which is the main event where they display the show cars. This is the 90<sup>th</sup> anniversary of the creation of "JAGUAR" Marque

**ACC Show**-**Vince** reported that information for the June 8<sup>th</sup> event is available on the ACC website.

**2025 Telluride Autumn Classic**, **Tom** reported that in speaking with several members at the last Board Meeting it looks like RMJC will have at least four Jaguars in the event. The New Mexico club is sending several Jaguars as well.
