## President's Letter

September is shaping up to be an active one for our Jaguar Club and collector cars in general.

The August issue of Cat Tales has a pretty extensive list to peruse. The ones near and dear to my heart are the English Car Conclave Sep 13<sup>th</sup> and 14<sup>th</sup> and the Bids for Kids on Sep 26<sup>th</sup>. The Conclave always has a good turnout of Jaguars and I hope this year is no different. I will be attending the Telluride Autumn Festival Sep 26 to 28<sup>th</sup> for the first time. I will report back on the festivities and a run down on Jaguars in attendance.

Please remember that our monthly RJMC club meeting is on Sep 9<sup>th</sup> at the Blue Bonnet Restaurant. Dinner at 6, meeting starts at 7:05. I humbly apologize for not being at our August club meeting. A sincere thank you to Steve Kennedy for subbing in for me on short notice. A cousin of mine who really has been more of a little sister to me in my lifetime had a serious medical issue occur and I had to help her with moving to where she will be getting treatment. The cross country drive and move in went off without a hitch. Again, many thanks.

As time goes by, I am dismayed by the continuing reduction in the number of good mechanics out there. While I do a lot of my own straight forward work myself, there are times when the time available does not fit the time it will take to do it right. It isn't just the Jaguar pool that is diminishing, it's the entire number and quality of well trained and dedicated Automotive Technicians that are in decline. Due to my travel schedule this month I did not have time to redo a wiring harness on my Ford F150. I had bought the correct part, I just needed someone qualified to hook it up. I was hoping the work would be done when I got home. I took it to a Ford Dealership near me and got a reasonable estimate to put it on.

Fast forward to today, I went to drive it out of their parking lot and it was running rougher than a cob. I turned around and brought it back immediately. Now the dealership is saying that the fuel injectors are bad and that is the problem...the injectors were working fine before the harness install, not running fine now, logic would tell you someone screwed up. Nope, they want another \$3500 to fix an issue I believe they created. Oh the humanity. I'm back home now so I know what the rest of August is going to be spent doing. Like the old saying goes, if you want it done right do it yourself. If I wasn't so old and dusty, I'd consider going into the business. It appears there's big money to be made plying that trades.

As always, pleasant journeys on friendly roads,

**Tom Estes**

President

## Fall Drive

The Fall Drive will be on Saturday October 11th. It will start at the Kennedy's for Coffee and some breakfast treats. We will leave sharply at 9:15. We are headed on a pretty drive to the Carousel of Happiness in Ne-

derland. If you don't know the story a little bit of the story is below, you can go to their web site [carouselfhappiness.org](http://carouselfhappiness.org) to read more. The cost per person is \$5.00 for the Carousel ride and parking. I will collect your money that morning so please bring \$5 per person to Coffee. We will then take a drive into Louisville for lunch at about noon. Please RSVP to

Deanie by October 3rd, at [dkenedy@ecentral.com](mailto:dkenedy@ecentral.com) or you can text or call 303-489-3944 so I can reserve our spot on the carousel and at the restaurant.

Its that time again, time for club elections. If you would like to volunteer to run for one of the club officer positions or a board position, please contact either Tom, [thomas.estes78@gmail.com](mailto:thomas.estes78@gmail.com) or Steve [skennedy@ecentral.com](mailto:skennedy@ecentral.com)

## RMJC PO Box

We will be cancelling the downtown PO box as of October. Long before the internet, we used to get lots of club mail there. Now, not so much. And it costs us over a hundred dollars a year. So, letters and membership, New and Renewals, will go directly to Deanie, as most everything does anyway.

## Cover Photo and some Stories

This month's cover is of Al Fiscelli's Series 1½ E-Type. Just because I don't have anything to do but think about Jaguars, I wrote a Series 1 E-Type Judge's Guide which I hope to get accepted by JCNA for judging at next year's AGM. So now I am expanding that to include Series 1½ E-Types for another Judge's Guide. Long range plans are to combine both into a single book on E-Types. I have photos of Meredith's, Henry's and, with Ray Satter's help, Ken Laff's Early Series 1 Es. Brent and Pat Meyer's have a Series 1¼, 1E15753 OTS (Roadster) made on 15 June 1967 and their 2+2 E, made 8 February 1967, both of which have open headlights. Jaguar Build Records show the first open headlight to be chassis number 1E.15890, made January 1968 to be the first recorded open headlight E. But the change from the three SU carburetors to the two Zenith Stromberg carburetors is considered the first full Series 1½ E-Type.

I also have photos of E-Types from the following members: Tim and Cynthia Volin, Bob Grossman, Tom Keohan, Dave Hornbacher, Bob Ottowell, Mel Salter, Gary Staadt, Michael Whitehouse, Hayden Schramm and Ted Ax at Allies Vintage Automotive, Roger Mauer, and Jack Murphy's Es. I've been down to Greg and Doug's at Kats for photos. I'm sure I am missing someone and you will just have to wait for the book to come out to see photos of all of them.

When we went to the Wild Animal Sanctuary last year, someone was driving a Golden Sand E, but I never figured out who it is. I would like to get photos of that one and any other nice Es in the club.

Interesting things are like Brent Meyer's 2+2 has toggle switches like the earlier Series 1, but it has the locking glove box like the Series 1½s, so is it a 1¼ or 1½th, who knows with Jaguar. As we all know, they used stuff up til they ran out then used the next item for the next car coming out.

If you know of a Series 1½, please let me know, I still need more photos.

# August Monthly Minutes

Standing in for President Tom and Vice President Bob, Steve K. welcomed everyone to the August RMJC Monthly Meeting at The Blue Bonnet Café.

**Any New Members, Guests, or Vehicles?** There were no new members, guests, or vehicle updates at this meeting.

## August Birthdays:

Judy Estes	Aug 1	Mary Sama Brown	Aug 10	Willa Galassini	Aug 23
Jack Murphy	Aug 6	Gary George	Aug 13	Lon Orenstein	Aug 25
Roger Radcliffe	Aug 7	Vince Lane	Aug 19	David Massy	Aug 27
Emily Andrykowski	Aug 8	Barbara Laff	Aug 22	Miriam Poole	Aug 31

**Membership Report - Deanie Kennedy** reported that the RMJC membership has registered 118 Jaguar lovers. Compared to other car clubs who have seen fluctuations in year to year membership, RMJC maintains a very consistent annual membership registry.

**Treasurer's Report- Deanie Kennedy** reported that the club is financially sound and on budget for the year.

**Newsletter-Steve Kennedy** was pleased to report that he was able to generate another Cat Tales newsletter for everyone's reading enjoyment.

**Facebook update - Mark Kintgen** reported that the RMJC Facebook page has been updated and encouraged everyone to check it out for all information related to the club.

## Recent Events Report

**Summer Party** – The RMJC Summer Party was a great success with almost ½ of the club members in attendance. The club thanked Deb and Mike Ramirez for opening their home to all of us and providing everyone with a wonderful cuisine. The food and conversations were outstanding, as was the weather, except for the typical afternoon shower. Many members contributed bunch of spectacular desserts. It was good to see several of our members who we had not seen in a while. If you were not there, you missed a delicious Mexican meal and lots of Jaguar camaraderie.

## Jaguar will Celebrate The 65th Anniversary of the E-Type

2026 will mark the 65th anniversary of Jaguar's Iconic E-Type. The introduction on March 15, 1961, at the Geneva Switzerland Motor Show was a last-minute decision. The company dispatched Jaguar PR man Bob Berry who drove "flat out" overnight from the factory in Coventry England to Geneva in an Opalescent Grey fixed head coupe (FHC) for the unveiling the next day. The car was such an instant hit (at its unveiling Enzo Ferrari called it "the most beautiful car ever made") that Jaguar told test driver, Norman Dewis, to "drop everything" and immediately head for Geneva in a British Racing Green OTS roadster (Open Two-Seater) so the press would have 2 cars to test drive. Internally at Jaguar the colors became known as Flat Out Grey and Drop Everything Green.

Based on the Jaguar D-Type racing car that had won the 24-hour Le Mans for three straight years from 1955 to 1957, the car featured a front subframe carrying the engine, front suspension and front body-work bolted directly to the body tub. No ladder frame meant the car weighed just 2900 lbs. The E-Type's claimed 150 mph top speed, 0 to 60 acceleration in less than 7 seconds, 4-wheel disc brakes (the rears mounted inboard next to the transaxle for better weight distribution), rack and pinion steering and independent front and rear suspension spurred industry wide changes.

Dubbed the XK-E for the North American market, the car was just as big a hit in the U.S, as it had been in Geneva and was soon featured in virtually all the American automotive publications, several "Surf" and "Rock and Roll" movies of the day and forever enshrined in the classic rock and roll song Dead Man's Curve.

Jaguar introduced the "Series II" E-type in 1968 in response to newly enacted U.S. safety and emission standards. They had to detune the engine, replace the toggle switches with rockers, raise the bumpers and increase the size of the turn signals and tail lights but retained the overall look and styling very successfully. In 1971 they introduced the "Series III." Although it looked the same, it was actually a little longer and a little wider and sported Jaguar's new V-12 engine.

With the later model updates officially designated "Series 2" and "Series 3", over time the earlier cars have come to be referred to as "Series 1." The last E-types were produced in very late 1974 or very early 1975 depending on who's records you choose to believe. While the exact count is disputed, Jaguar produced approximately 72,515 E-Types from 1961 through 1975.

To honor the 60th anniversary, Jaguar Classic (A division of the company focused on the earlier cars.) built 12 new E-types. Six roadsters painted "Drop Everything Green" and six coupes painted "Flat Out Grey". The cars were sold in pairs only.

As you stroll through all the fabulous cars at any Concours, be sure and stop by the Jaguars where you can see "the most beautiful car ever made" in person.

# Morgan Adams Concours Photos by Mike Ramirez

The 23rd Morgan Adams Concours D'Elegance was held August 23-24, 2025. Jaguar was celebrated with a red carpet treatment for 90 years of Jaguar Excellence. There were 11 Jaguars in attendance. The evening began with cocktails, hors d'oeuvres and a silent auction. There were flight demonstrations with the evening ending with fireworks. There were approximately 54 motorcycles, 114 automobiles, and 48 airplanes. There were numerous volunteers including our club members, Herb and Kathy Gode. Herb and Kathy's Rolls Royce made it, but a little damaged. They were involved in an accident that morning. But the Rolls kept her beauty!

## Sunday September 14th

### The 41st Annual Colorado English Motoring Conclave, Sunday, September 14th.

Once again, the City of Arvada has offered Oak Park for the Conclave. If you have come to the Conclave in the past, you know what a great day this can be. With your help we will have well over 500 British cars and bikes in attendance.

Bring a picnic lunch or buy food and drink from the Kiwanis club (all profits go back to the community), and have a picnic under the trees.

Bring your parts to sell at the Swap Meet or bring your list of parts you need to buy. Above all, bring yourselves and your vehicles, for your participation is necessary to make this event the highlight of Colorado British motoring.

**SUNDAY:** Drive in registration very welcome

## TWO DAYS OF ACTION AND ACTIVITIES

Join us for a memorable weekend as the Colorado English Motoring Conclave continues its traditional two days of fun and activities. This event was coordinated in 1983 as a joint effort for the many English vehicle clubs in the Denver metro area. Austin Healey, Jaguar, Lotus, MG Car Clubs, MGA, MGB, T Series), Morris Minor, Rolls Royce, Sunbeam, Triumph, TVR, Rocky Mountain Vintage Racing and the British Motorcycle Association. See website for class makeup. The purpose of this event is to further the operation, preservation and owner participation of the British marques.

The condition of your bike or car is not important; this is an event for the everyday vehicles as well as the concours de elegance example.

- Welcome to all walk-ins (drive-ins) for registration on Saturday and Sunday morning.
- See a wide assortment of British marques.
- Become acquainted with local British Auto Clubs.
- Learn of sources for specialized services.
- Enjoy food, fun and entertainment in the park.
- Visit local vendors and take advantage of some super deals.
- Stroll through the swap meet during Sunday's Conclave.

### **NOTICE:** "As per the City of Arvada"

To preserve everyone's right to continue to use the park, please, use the **DRIP CLOTS** supplied in registration packets. Please **NO Trucks or Trailers in the Park** & **NO "For Sale"** signs. Loud vehicles must be pushed into place. They may not be started up in the park. We will refund entry fees to violators and ask them to leave.
